ACKNOWLEDGEMENTS

I deem it a matter of great pleasure to express my heartfelt gratitude to Dr. N.K. Soni, M.Sc., Ph.D., Reader, Department of Botany, Dr. H.S. Gour Vishwavidyalaya, Sagar, under whose superb and spotless guidance and supervision this work was planned and carried out.

I owe my deep sense of gratitude to Prof. K.M. Vyas, Head, Department of Botany, Dr. H.S. Gour Vishwavidyalaya, Sagar, for providing laboratory facilities.

My warm thanks goes to Prof. V.K. Saxena, Department of Chemistry and Prof. H.S. Maheshwari, Department of Criminology and Forensic Sciences, Dr. H.S. Gour Vishwavidyalaya, Sagar, for their help in phytochemical work. I am thankful to Dr. R.D. Tripathi, Senior Scientist, NBRI, Lucknow for his help in planning of work.

I wish to place on record my deep debt of gratitude to my Parents, my brother Ajay, sister Shoma to Mrs. S. Ayyer, Warden, Nivedita Hostel and to Mrs. Pushplata Soni for their encouragement and specially for inciting me to add moments.

Last but not least, I wish to express my friendly thanks to Dr. Sunanda Dhenge, Vibhuti, Pinky, Pushpa Devi, Suman, Amita, Pramila, Mamta, Sharmee, Ravi, Manoj, R. Duggle, Manish and to my laboratory colleagues for their help and co-operation in various ways.
