ACKNOWLEDGEMENTS

I have the pleasure of expressing my deepest sense of gratitude to my research supervisor, Dr. N. P. Bhalla, for suggesting the problem, giving suitable guideline, helpful suggestions and generosity that he bestowed upon me throughout the course of the present investigation.

I extend my gratefulness to Professor K. M. Vyas, Head of the Botany Deptt., Dr. H. S. Gour Vishwavidyalaya, Sagar (M. P.) India, for providing me laboratory facilities with constant encouragement and positive help.

The author expresses her sincere thanks to Dr. S. Bhalla, Mr. J. R. Patel and Ms. Divya for their help and co-operation in various ways.

For the joy of my family it begins with my parents and now shared with my husband Dr. Sajjan Khan, Environment Protection Specialist (K.S.A.). I wish to offer my thanks along with profoundest regards to my parents-in-law, elder brother Mr. Rajjan Khan, Mr. Munawar Khan, Mrs. Shahnaz Baji, MD. Wasi Bhaijan and SK. Mustaqne, with my all brothers and sisters. Despite the agony and inconvenience, they provide me anything and everything throughout my academics.

My heartfelt thanks are due to Mrs. Iyyer, Ms. Razda, Ms. Mala, Ms. Rinku, Ms. Shwami and all my friends, who helped me generously in completing the work. I am thankful to one and all who were involved directly or indirectly in this venture of mine.
