ACKNOWLEDGEMENTS

I acknowledge with a grateful heart my indebtedness to Prof. S.C. Agrawal, Applied Microbiology and Biotechnology, Department of Botany, Dr. Hari Singh Gour Vishwavidyalaya, Sagar for his invaluable inspiring guidance and his encouraging attitude throughout the period of these investigations.

I am under deep obligation of Dr. S.K. Yadav, Reader, Department of Botany, Dr. Hari Singh Gour Vishwavidyalaya, Sagar under whose superb and spotless supervision this work was planned and carried out.

I am grateful to Prof. K.M. Vyas, Head of the Department of Botany, Dr. Hari Singh Gour Vishwavidyalaya, Sagar for providing laboratory facilities and to Prof. A.D. Adoni, Dean Faculty of Life Sciences for his keen interest and encouragements in many ways.

I am grateful to the Directorate General Health Services, Government of India for award of Junior Research Fellowship.

I have also had the privilege of consulting Dr. N.K. Soni, Dr. P.K. Khare and other teachers of the Department of Botany, Dr. Hari Singh Gour Vishwavidyalaya, Sagar, and Dr. S.K. Mishra, Reader, Department of Bio-sciences, Ravishankar Vishwavidyalaya, Raipur, and the advantage of their valuable advice and criticism in preparation of this piece of work. It is my pleasant duty to make grateful acknowledgement for their help.

I acknowledge the co-operation received from Dr. A.K. Shukla, Dr. Sudhir K. Jain, Smt. Ninedita Jain, Miss Sharmeeila Singhai, Mrs. Meeta Verma, Miss Amita Shrivastava, Miss Mamta Suhane, Mr. Rajesh K. Sharma, Miss Sanjita Keswari, Miss Anjana Rajput, Mr. Ashok Singh Chauhan, Miss Anupma Sijaria and Miss Meenu Chauhan and other research colleagues of Botany Department.

Finally, I wish to record the blessings and encouragements from my parents, brothers and their families who have smilingly embraced the obvious suffering during the course of this work, which infact has always been a source of inspiration for me.

Kiran Jain
