Acknowledgements

In the completion of this thesis, I find the realization of a long cherished goal and the completion of nerve-racking hard work. In the pursuit of the research work my contribution became microscopic as compared to that of my research supervisor, teacher of the staff, friends and family members.

I express most regardfully a deep sense of gratitude to my Supervisor Dr. Mangla Bhide, M.Sc., Ph.D., F.I.S.B., F.A.B., Reader (Environmental Biology) Department of Zoology, Dr. Hari Singh Gour University, Sagar (M.P.), for her esteemed and generous guidance, critical evaluation, encouragement and keen interest until the completion of the work.

I wish to acknowledge my deep feelings of gratitude and regard to Dr. (Mrs.) P. Patnaik, Professor and Head, Department of Zoology who provided me Laboratory facilities and suitable guidance, time to time.

My grateful acknowledgements are to Prof. D.P. Gafta, Former Head of the Department of Zoology, Dean of Life Science, Dr. H.P. Gour University, Sagar (M.P.), for his keen interest and encouragement during the course of this study and also for sparing time from his busy schedule, whenever I approached him.

I am grateful to my teachers Dr. O.P. Gafta, Dr. A.K. Rajada, Dr. S. Bhardwaj, Dr. P. Banerjee, Dr. U.P. Gafta, Dr. D.K. Saraf, Dr. J.D. Ahluwalia, Dr. V. Sharma, Dr. P. Jain, Dr. M. Tikdar and Dr. A. Fawar who provided guidance to my needs and help in my research work.

I wish to acknowledge deep feelings of gratitude and regard to my father Dr. R.N. Kharya for his constant inspiration to complete my thesis. My mother Mrs. Kamalata Kharya deserves special mention for her moral support and constant inspiration.
My very special and deep thanks goes to my uncle Mr. V.K. Dukey who inspired me for my work. I am equally thankful to my aunt Mrs. P. Dukey who gave me necessary help time to time.

I express my special thanks and gratitude to Dr. Sudochana Ayyar, Superintendent, Nivedita Girls Hostel, Dr. Hari Singh Gour University, Sagar who gave me her valuable suggestions and suitable guidance for my future progress.

I sincerely acknowledge and appreciate the constant help from the core of my heart which is rendered by my brothers Anil, Santosh, Deepak, Mradul, Saurav and Gaurav.

My sisters Ranjana, Rani, Rinki, Soniya, Rekha, Nikita and Rakhi provides me help and emotional support which gave me encouragement in completing my thesis work smoothly.

I express my special thanks to my co-researchers Dr. Priyambada Gupta, Reeti Gupta, Arif Khan, Kanhaiya Singh and Anju Karil. I am really very thankful to my friends Manisha Agrawal, Shikha Gupta, Rashmi Pathak, Manjulata, Sweety Jain, Richa Parwegi, Utpana Jain, Nidhi Gupta Pmita Jain, Pushpalata Thakur for their co-operation during the completion of my thesis.

I express my thanks to Mt. Rinku Sarvaiya who helped me in microphotography.
