Acknowledgement

The author is very much thankful to Prof. R.S. Saini, M.Sc., Ph.D. (Sagar), Ph.D. (Cambridge), F.R.S., F.Z.S., F.R.M.S., Professor and Head, Department of Zoology, Doctor Harisingh Gour Vishwavidyalaya, Sagar, for suggesting the problem and providing the necessary laboratory facilities for the research work.

Many thanks are due to my Supervisor Dr. Mrs. S.Sahai, M.Sc., Ph.D., CW.A.S.F., F.A.E.B., Reader in Zoology for her esteemed guidance and supervision throughout the course of the present study. I am also grateful to Dr. Y.N. Sahai, Reader in Zoology, for his constant encouragement and help during the tenure of the work.

I am thankful to Dr. G.S. Parasher who inspired me for the research work and to Dr. R.C. Saxena who helped me in various ways during the course of my research. Thanks are also due to Mr. Hans Kumar (Artist) for the assistance in the diagram work and to Mr. R.P. Patel for the skillful typing.

I wish to express my thanks to my colleagues Dr. A.K. Singh Bais, Mr. O.P. Tiwari and Mr. A.K. Khare for the cooperation during research work.

Date: October, 1984.
