ACKNOWLEDGEMENTS

I would like to express my heartfelt gratitude to Dr. K.C. John, M.Sc., Ph.D., Principal, Catholicate College, Pathanamthitta, for suggesting the problem and for his timely, unfailing guidance and encouragement throughout the course of this study.

I may also express my sincere gratitude to Sri. K.G. Padmanabhan, Retired Reader, Department of Aquatic Biology and Fisheries, University of Kerala for his valuable suggestions and encouragement.

I am greatly indebted to Sr. N.K. Balasubramanian, M.Sc., Lecturer in Biostatistics, Department of Aquatic Biology and Fisheries, University of Kerala, for his help in arriving at the statistical interpretation of the data.

My sincere gratitude is also due to Dr. T.A. George, M.Sc., Ph.D., Retired Principal, Catholicate College, Pathanamthitta for his encouragement. I am also indebted to Dr. K. Premkumar, M.Sc., Ph.D., former Research Associate, Department of Aquatic Biology and Fisheries, University of Kerala for his help during the early periods of this study.

I wish to express my thanks to all the members of staff of the Department of Zoology, Catholicate College, Pathanamthitta and to my colleagues especially to Mrs. K.
Beena, Mrs. Gigi Elizabeth Sam, Mr. Jero G. Vargheese, Mr. James and Miss. Mini.

I specially thank The Mahatma Gandhi University, Kottayam for the award of a Junior Research Fellowship during the tenure of my work. I also thank the Management, Catholicate College, Pathanamthitta for providing me the facilities needed to carry out this study.

Sherly P. Anand
