BIBLIOGRAPHY

Dumont, H. J. (1968): A study of man made fresh water reservoir in eastern Flanders (Belgium) with special reference to the vertical migration of the zooplankton. Hydrobiol. 32: (1/2) : 97 : 130.

Department of Zoology, Dr. H. S. Gour University, Sagar (M.P.)

Mishra, B.P. and B.S. Tripathi (2003): Seasonal variation in physico-chemical characteristics of Ganga water as influenced by sewage discharge. Ind. J. Eco. 30 (1) 27-32.

Muller, J. (1945): Quoted from Goldman and Horn (1983).

Prakash, C. and Rawat, D. C. (1979): Environmental pollution dynamics: The target to be achieved by India. IAWPC Tech. Annual (VI).

Department of Zoology, Dr. H. S. Gour University, Sagar (M.P.)
Schurmann, J.F.M. (1932): A seasonal study of the micro flora and

Budget and the factors. Influencing primary production in a tropical
lake. J. Fresh water Boil. 4 (2) 141-153.

Sharma A.P. and M.C. Pant (1979): Certain physico-chemical features,
chlorophyll concentration and phytoplankton population in high

Sharma, A.L.N. and P.K. Pattanaik (1985): Ecological studies of
zooplankton of fresh water ponds in and around Bhuvaneswar. J.
Environ. Biol., 6(4) 245-256.

Sharma, C. Ramesh, O.P. Gusain and C.P. Juyal (1990): Ecology of
high altitude river Bhilangana of Garhwal Himalaya. River Pollution

Sharma, C.M. and J. Shrestha (2001): Fish diversity and fishery
resources of the Tinau river, Western Nepal. Environment and
Agriculture: Biodiversity. Agriculture and Pollution in South

Sharma, C.S. and Bharat B. Gupta (1981): Diurnal variation in
hydrobiology of a shallow derelict pond at Aligarh (Uttar Pradesh).

near Allahabad with particular reference to the abundance and
seasonal distribution of Plankton and Benthos. Ph. D. Thesis,
University of Sagar.

Sharma, Neelima and Y. N. Sahai (1995): Some observations on the
plankton population of Jari reservoir near Allahabad (U.P.) and their

Sharma, R.C. (1985): Seasonal abundance of phyto-plankton in the

Sharma, R.C. (1986): Effect of physico-chemical factors on benthic
133-137.

Sharma, R.C. and H.R. Singh (1980): Limnological studies on
meiobenthic communities of the Bhagirathi river at Tehri Garhawal.
India Fourth Int. meifouna. Conf. Columba Sc., USA, pp 32.
