ACKNOWLEDGEMENTS

I have great pleasure to express my deep sense of gratitude with sincere thanks:

To my guide Dr. V. Umayorubhagan, Principal, Noorul Islam College of Arts and Science, Kumaracoil for suggesting the problem, designing the plan of work, invaluable and untiring guidance with a touch of human splendor, scientific freedom, meticulous efforts in the procurement of research materials, scholarly advice, constant encouragement, invaluable comments and discussions in every phase of my research work, I have no words to express my thankfulness for his deep sense of cordial affection towards me.

To UGC for providing FDP programme under sixth year plan to complete my research work.

To Er. P. Arumugam Pillai, Chairman and the Management of S.T. Hindu College, Nagercoil for permitting me to make use of the laboratory and other facilities of the college.

To Dr. S. Perumal, Principal, S.T. Hindu College, Nagercoil for his constant encouragement throughout the research work.

To Dr. C. Vaithyanathan, Head of the Department of Chemistry, S.T. Hindu College, Nagercoil, for having constant encouragement and scholarly advice during the period of my Research Work.
To Dr. A. Palavesam, Associate Professor, Centre for Marine Science and Technology, Rajakkamangalam, for his immense help during the entire period of my research work.

To all my colleagues of the Department of Chemistry, S.T. Hindu College, Nagercoil, for their constant encouragement and immense help during the entire period of my research work.

To, Dr. T. Chidambarathanu, Associate Professor, Department of Physics, Dr. A. Kumaraswamy, Dr. C. Radhakrishnan, Associate Professors, Department of Zoology, Dr. M. MathevanPillai, Associate Professor, Department of Botany, Dr. E. Kolappa Das, Associate Professor, Department of English, N. Ponmurugaraj, Assistant Professor, Department of Chemistry, Mr. C. L. Jackson Paul Durai, Assistant Professor, Physical Director, for their invaluable suggestions, immense help, scholarly advice and sincere involvement during the period of study.

To all my beloved friends for their immense help and constant encouragement to complete my research work.

I owe a lot to my beloved mother, wife, children, sisters, brothers-in-laws for their immense help and moral support throughout the research work.
