ACKNOWLEDGEMENTS

My first and foremost acknowledgement goes to Almighty God for the successful completion of this research work.

I express my sincere reverence to His holiness Jagadguru Sri Sri Sri Shivarathri Deshikendra Mahaswamiji, pontiff of Suttur Math and Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji, pontiff of Adichunchanagiri Mahasamsthana Math, for their blessings.

I thank the support of Department of Science and Technology (DST), Ministry of Science and Technology, Government of India, for this research.

It is challenging, we do it! These are the words said by my then guide Late Dr. R.D. Sudhaker Samuel, at the time of starting my journey towards research. It was challenging, we did it, but gods wish was different! His appreciations for the good work and motivational words during setbacks are never forgotten. I am deeply indebted to him for his most valuable guidance, brilliant ideas, timely help and unflinching encouragement during the period of research.

I express my deep sense of gratitude to my research supervisor Dr. C.R. Venugopal, whose guidance enabled me to develop deeper understanding of the subject. His perpetual energy and enthusiasm in the research by providing valuable inputs was rewarding. His generous support and encouragement motivated me in the successful completion of my work.

I am heartily thankful to Dr. B.G. Sangameshwara, Principal, SJCE, Mysore and Dr. T.N. Nagabhushan, Chief Executive, JSS Research Foundation for providing excellent infrastructure to carry out research and timely help during research. I also thank former Chief Executive of JSS Research Foundation, Dr. B.S. Basavarajaiah, for his kind support during research.

I owe my deepest gratitude to Dr. C.K. Subbaraya, Principal, Adichunchanagiri Institute of Technology, Chikmagalur, for the inspiration to take up the research. His generous support and concern towards the progress of my research is most acknowledged.

I express my sincere thanks to my doctoral committee members, Dr. M. Sukumar, Professor in IT Dept, Dr. M. N. Shanmukhaswamy, Professor in E&C Dept, Dr. A.D. Sreenivasan, Professor in E&E Dept, for having provided constructive criticism and excellent advice during the period of research. I express my thanks to Dr. N.M. Renukappa, E&C Dept, SJCE, for his valuable suggestions. I am highly grateful to the authorities of University of Mysore for giving me an opportunity to pursue my research studies at JSS research foundation.

I express my gratitude to Dr. Ashok Rao, Former Head of Network Project, CEDT, IISc, Bangalore, for his support during the initial stages of research. I express my sincere thanks to Prof. K. Jayaraman, CMD & Chief Mentor, Center for Communication
and Information Technologies Pvt. Ltd, Bangalore, and Mr. Visweswaran J, Asst. Regional Manager (NI Products), Trident Tech Labs, Bangalore for the help in setting up of the research lab using National Instruments products. I would like to thank Mr. Ramesh Kumthekar and Mr. M.C Ganapathy, of Life Electronics, Bangalore for their technical assistance. I have great pleasure in expressing my sincere thanks to the authorities of National Instruments, India, supported with the LabVIEW 8.5 software as an award in recognition of excellent performance in the virtual instrumentation design contest VI MANTRA 2007, in the research category.

My sincere thanks to Prof. N.P Shreenivasa, Head of E&C Dept., AIT, Chikmagalur, for all the help and support provided. I take pleasure in acknowledging the moral support provided my AIT colleagues Dr. H.N. Prakash, Dr. C.M. Prashanth, Mr. H.K. Chandrashekar and Mr. Muzmeel Ahamed. Collective and individual acknowledgements are owed to all my colleagues of AIT, Chikmagalur.

I have a great regard for my research colleagues Dr. Sanjeev Kunte, Dr. L. Basavaraj, Dr. Bindu A Thomas, Mr. P. Dinesh, Mr. B.S. Shailesh, Mr. Chandrashekar M Patil, Mrs. Rashmi, Mrs. Veena for their technical inputs and good company. My special thanks to SJCE Colleagues Mr. U.B. Mahadevaswamy, Mr. Nattarasu and Mrs. Gayathri for their support and good wishes. The complete assistance provided by Mr. Philip and Mr. Mahadev during the period of research is most acknowledged. I express my sincere thanks to all teaching and nonteaching staff members of SJCE for their help during the research period.

My parents deserve special mention for their constant inspiration and moral support that kept me focused in achieving the desired goals. My father Mr. A.S. Putte Gowda and mother Mrs. Susheela P.Gowda, always stood by me for all good work with love and care. I express my gratitude to my brothers, Mr. Hamsaraj A.P, Mr. Vivekananda A.P. and sister-in-laws Mrs. Vidya, Mrs. Madhu for their moral support.

Words fail me to express my appreciation to my wife Mrs. Divya G.S. for her moral support, love and taken the load of my shoulders. I owe her for being unselfishly let her intelligence, passion and ambitions collide with mine. I express my lovable thanks to my baby J. Samartha and my niece Ananya H. I am indebted to my in-laws Mr. Sankappa Gowda, Mrs. Sathyavathi H.B. and Mr. Puneeth G.S. for their constant support.

The review comments of the research papers have helped me a lot in improving the quality of work. I sincerely thank the reviewers and publishers of the journals: IEEE Trans. Instrum. Meas, iJOE, JDET, JSW etc., and conferences: ICCIMA07, ACVIT07, REV08, CISSE2008, WBL2008, ICSTE09, ICCCT2011 etc., for providing me an opportunity to learn and spread knowledge among the research community.

I sincerely thank all those who helped me in one way or the other in successful completion of this endeavor.
