ACKNOWLEDGEMENT

I express my profound gratitude to my beloved teacher and guide Dr. Rajkumar H. Garampalli, Assistant Professor, Department of Studies in Botany, University of Mysore, Mysore, for his inspiring guidance and counseling which he gave so generously throughout the course of this study, without which this work would have not been completed.

It is a privilege for me to express my deep sense of gratitude and my humble regards to my teachers Prof. G.R. Janardhana, Chairman, Department of Studies in Botany, University of Mysore, Mysore, Prof. K.A. Raveesha, Department of Studies in Botany, University of Mysore, Mysore and Prof. T.C. Shivashankaramurthy, Honorable Vice-Chancellor, Mangalore University, Mangalore, for their critical and valuable suggestions during my research work and encouraging me.

I am thankful to Dr. Mruthunjaya C. Wali, Principal Scientist and Head (Plant Breeding), Agriculture Research Station, Arabhavi, Belgaum, Karnataka, India. I am also thankful to Dr. A.M. Babu, Scientist-C, Central Sericulture Research & Training Institute, Mysore, Karnataka, India, for kind suggestion and moral support to carry out the research work.

I would be failing in my duty if I do not extend my sincere thanks to Dr. K.T. Pandurange Gowda, Professor, University of Agricultural Sciences, Naganahalli, Mysore and Dr. Farhan Zameer, Assistant Professor, Post Graduate Department of Biotechnology & Microbiology, Pooja Bhagavat Memorial Mahajana PG Centre, University of Mysore, K.R.S. Road, Metagalli, Mysore, for his valuable help and constructive suggestions for the improvement of the present investigation and for meticulously going through the manuscript.

In addition I also express my heartfelt thanks to Mr. K.M. Jayaramaiah, Dr. K.N. Amruthesh, Dr. S. Leelavathi, Dr. M.S. Sudharshana, Dr. M.S. Sharada, Dr. Shobha Jagannath, Dr. M.S. Nalini and non-teaching staff of Department of Botany, for their kind help and co-operation.
It is a pleasure to acknowledge the invaluable help and encouragement rendered by Post Doctoral Fellows Dr. M.H. Niranjan, Dr. N. Rajashekar and Dr. Prakasha of Department of Botany.

I am thankful to my friends, Mr. Heminder Singh, Mr. M. Murali, Mr. Nagabhusan, Mr. D.L. Shrisha, Mr. S. Mahadevakumar, Mr. C.P. Sunil Kumar, Mr. M.C. Ravikumar, Mrs. S. Rashmi, Mrs. H.S. Seema, Mr. Anil Kumar, Mrs. K.C. Smitha, Mrs. G. Mangala and well wishers for their kind assistance whenever approached.

I am very grateful to my parents and Dr. H.S. Nagendraswamy, Reader, Computer Science Department, University of Mysore, Mysore, for their encouragement.

Finally, I wish to thank all my senior and junior research colleagues, who made my stay in this department a very pleasant one and the financial support provided from UGC under RFSMS scheme and J.S.S. Institute to conduct the research work is gratefully acknowledged.

(Veerabhadraswamy A.L.)
