LIST OF PAPERS PRESENTED IN CONFERENCES/SEMINARS

1. “Spectrophotometric Determination of Ultra-trace Molybdenum in Biological Samples”, was poster presented in one of the Two day National conference on “National Conference on the Emerging Areas in Chemistry (NACEAC)-2009”, organized by the DOS in Chemistry, held during 31st July – 1st August, 2009 at University of Mysore, Mysore.

2. Participated in One day workshop on “Proposals Research Methodologies and Publishing Papers” organized by Department of Computer Science, Amrita School of Arts and Sciences, Mysore, 26th February 2010.

3. Participated in Two day National Workshops on “Advances in Chemical Sciences” held at Sri Bhagawan Mahaveer Jain college of Engineering, Ramanagara District on 22nd and 23rd January 2010.

4. “Development of Quantitative Enzymatic Method and its Validation for the Assay of Glucose in Human Serum”, was poster presented in one of the Two day International symposium on (International Symposium on Challenges in Drug Discovery Programme – 2011 (ISCDDP), organized by the Karnataka State Open University, held during 16-17th February, 2011 at Manasagangotri, Mysore.

5. Participated in two day workshop on “Clinical Research Methods” organized by Department of Food Science and Nutrition at University of Mysore, Mysore, held during 21st – 22nd February 2011.

6. “Hydroxylation of 4-amino-5-hydroxynaphthalene-2,7-disulfonic acid monosodium salt Catalysed by Horseradish Peroxidase and Hydrogen Peroxide: Computation of Kinetic Parameters Including Appliance in Crude Extracts of Plant” was poster presented in one of the Three day International conference on “International Conference on Synthetic & Structural Chemistry (ICSSSC)-2011” organized by the Department of Chemistry, under the auspices of Institution of Excellence held during December 8-10, 2011, at University of Mangalore, Mangalore.
7. One of the research articles entitled “Quantification and Evaluation of Kinetic Bio-catalytic Pathway of Horseradish Peroxidase in an Electron Mediated Reaction System and its Applications in Plant Extracts” was presented orally in one of the Two day National conference on “National Conference on Green Chemistry (NCGC)-2012” organized by the Department of Chemistry, held during September 18th & 19th, 2012, at SRM University, Delhi NCR Campus, Ghaziabad, (Uttar Pradesh).

8. One of the research articles entitled “A Quantitative Method for the Detection and Validation of Catalase Activity at Physiological Concentration in Human Serum, Plasma and Erythrocytes Samples” was poster presented in one of the Two day seminar on “Recent Trends in Chemical Biology: an Overview-2013” organized by the Department of Chemistry, held during March 15th & 16th, 2013, at Govt. Science College, PG Centre, University of Mysore, Hassan.
