ACKNOWLEDGEMENTS

I have great pleasure in recording here my profound indebtedness to Dr. B.K. Srivastava, M.Sc., D.Phil. (Alld.) F.E.S.I., Reader in Zoology, Dr. Harisingh Gour Vishwavidyalaya, Sagar for his invaluable guidance and constructive criticism, and his deep and sustained interest throughout the course of the present work. His timely suggestions and advice, which were readily and freely available, have been of immense help in these investigations. It was both a great advantage and a privilege for me to have carried out this work under his supervision.

I am grateful to Dr. R.K. Shrivastava, Professor and Head of the Zoology Department, Dr. Harisingh Gour Vishwavidyalaya, Sagar, for providing the necessary facilities.

I acknowledge my sincere thanks to the Director Research Services and the Director Instructions, Jawaharlal Nehru Krishi Vishwa Vidyalaya, Jabalpur for granting me
permission to undertake this piece of work.

I express my deep sense of gratitude to Dr. V.S. Tomar, Senior Scientist, Dr. S.K. Jain, Scientist, Plant Breeding and Genetics and Dr. J.Y. Deole, Scientist Ento., JNKVV, Regional Agriculture Research Station, Sagar for providing facilities for field trials, constant encouragement and helpful suggestions.

My thanks are also due to Dr. Lal Chand, Professor and Head, Department of Mathematics and Statistics, JNKVV, Jabalpur, Dr. S.S. Jakhmola, Scientist, Ento., Tikamgarh and to Dr. O.P. Singh, Scientist Ento., Sehore. I am also thankful to Shri O.N.S. Thakur, Shri N.K. Khamparia and Shri U.K. Tiwari, JNKVV, Regional Agriculture Research Station, Sagar.

I am highly indebted to my parents Smt. & Shri Jagdish Prasad and grateful to my wife Smt. Shakun for their constant source of inspiration during the course of this work.

( Kamlesh Kumar Shrivastava )
