I am at dearth of words to express my gratitude to my parents and in laws, for their unwavering belief in me. I have no suitable words that can fully describe their everlasting love. Massive thanks to my wife for her love and keeping me sane over the past few months. I always fall short of words and felt impossible to describe her support in words.

Finally, I express my profound sense of reverence to my sister for her prayers. She is not here with me anymore but her prayers are always be the guiding force to my success. Hope this effort will makes you proud.
