Acknowledgement

Completion of this work wouldn’t have been done without the guidance and support from my advisors, colleagues and family members.

The author expresses a deep sense of gratitude to Prof. Mohd Afshar Alam and Prof. Ranjit Biswas for their valuable guidance, continuous inspiration and encouragement throughout the research work.

The author also expresses his sincere gratitude to Dr. Lipika Dey, Department of Mathematics, Indian Institute of Technology, New Delhi for her inspiration and support.

The author also expresses his gratitude to Dr. Ahmad Sultan AlHegami for his support and encouragement throughout the research work.

The author also expresses his deep gratitude to the government of the Syrian Arab Republic and the Indian Council for Cultural Relations (ICCR), Indian Government for allowing him to pursue his research work.

I would like also to thank all my friends Saif, Arshad, Meraj, Lora, Basheer, and all teachers of Jamia Hamdard for all their support and encouragement.

Above all, I must give all the credits to my parents for their patience and love. Without them, I couldn’t have come where I am now.
