ACKNOWLEDGEMENTS

It is with great pleasure that I express here my gratefulness to my teacher Dr. R.K. Shrivastava, M.Sc. Ph.D. (Agriculture), J.Sc. (Paris), F.Z.S.I., Professor and Head, Department of Zoology and Dean, Faculty of Life Sciences, who criticised and guided this work at every step. I am also thankful to Prof. R.S. Saini for providing necessary facilities during the course of this work.

Grateful acknowledgements are to Dr. D.K. Saraf and my colleague Shri H.K. Jain, Shri Subodh Jain, Shri Salil Shukla and Ku. Ruchira Pacholi. I would like to record my heartfelt thanks to my friends Mrs. and Mr. Pradeep Malaya, Dr. Anjali Shrivastava, Ku. Shalini Griel and Ku. Jivya Jain who helped me during the research work.

Personal debts are the most difficult to acknowledge in formal terms. Yet special and grateful mention must be made to my parents and brothers for their patience and constant encouragement during this work.

Finally I am thankful to C.S.I.R., New Delhi for financial help and Shri H.P. Patel for nice typing.
