List of Tables

Table

1.1 Target population in the sample projects
2.1 Child population by age group in India from 1996-2016
2.2 Infant mortality rates by rural and urban areas in India
2.3 Various services under ICDS
5.1 Frequency Distribution of RPM Test Scores (ICDS)
5.2 Arithmetic Mean of RPM Test Scores (ICDS)
5.3 Standard Deviation of RPM Test Scores (ICDS)
5.4 Frequency Distribution of RPM Test Scores (Non-ICDS)
5.5 Arithmetic Mean of RPM Test Scores (Non-ICDS)
5.6 Standard Deviation of RPM Test Scores (Non-ICDS)
5.7 Frequencies of RPM percentiles of ICDS and Non-ICDS children
5.8 Performance of children in Pre-school Education Activities
5.9 Enrolment of children (5-10 years) in primary schools with pre-school experience
5.10 Effect of Pre-School Education on Primary School Enrolment of children (6-10 years)
5.13 Level of knowledge of women (15-45 years) on General Health care and Nutrition
5.14 Coverage of children under prophylaxis programme as reported by mothers
5.15 Details of Expectant mothers taken prophylaxis against anemia
5.16 Birth weight of babies as reported by Nursing Mothers
5.17 Average weight of children (5-6 years)
5.18 Nutritional Status of children
5.19 Weaning practices followed by Nursing Mothers for Introduction of semi-solids
5.20 Percentage of children immunized
5.21 Utilization of services by Expectant Mothers
5.22 Utilization of services by Nursing Mothers
5.23 Utilization of Services by women (15-45 years)
5.24 Medical Attention taken during pregnancy
5.25 Coverage of women (15-45 years) under Nutrition and Health Education services
5.26 Communication Aids and Methods used for Imparting Nutrition and Health Education
5.27 Problems faced in organizing Nutrition and Health Education sessions by AWWs
5.28 Location and Accessibility of Anganwadis
5.29 Amenities at Anganwadis
5.30 Physical infrastructure of Anganwadis
5.31 Coverage of children (3-6 years) under Pre-School Education
5.32 Duration of stay of children (3-6 years) at Anganwadi as Reported by Mothers of pre-schoolers
5.33 Staff position in ICDS projects of the sample projects
5.34 Distribution of Anganwadi workers by Educational Qualifications
5.35 Time allocation for Different Activities in the Anganwadi
5.36 Monthly Home Visits by Anganwadi workers
5.37 Monthly visits to Anganwadi by Child Development Project Officer
5.38 Support/Guidance provided by CDPOS during visits to Anganwadi
5.39 Major problems faced by CDPOS
5.40 CDPOs responses on measures taken by them to strengthen ICDS programme
5.41 Visits to Anganwadis by Supervisors
5.42 Co-ordination between Health & ICDS functionaries
5.43 Support extended by ANMs to Anganwadi workers
5.44 Support Services at the Anganwadi level
5.45 Community help in running the Anganwadi
5.46 Type of help received in running the Anganwadi
5.47 Contribution by Mahila Mandals in ICDS programme
5.48 Contribution of Community leaders in Implementation of ICDS at the Anganwadi level
5.49 Involvement of Community Representatives in ICDS programme
5.50 Problems faced by AWWs in eliciting community participation
5.51 Reasons for not contributing towards ICDS as reported by Community Leaders
5.52 Support provided by Adolescent Girls in AW activities
