ACKNOWLEDGEMENTS

In the first place and above all I thank my God, LORD JESUS CHRIST for making it possible that this work has reached the present stage. It is only HIS Mercy and Grace that this work exists in my name.

I avail this opportunity to express my gratitude towards (Dr.) Mrs. Sarita Khandka, Assistant Professor, Department of Physics & Dean, Faculty of Science for accepting me under his advisorship and the special interest he took in my progress not only through this work but all these years of my service in the Department of Physics.

I am highly thankful to my Co-Advisor Dr. D. P. Jayapandian, Head, Department of Physics for his kind and able guidance. He has always been there for me whenever I was in need, during the work. It is his able guidance without which the present work would not have been possible.

I am highly grateful to the Sam Higginbottom Institute of Agriculture Technology and Sciences, Management and Administration for giving me an invaluable opportunity to pursue Master of Philosophy degree from this University, making me a part of AAIDU especially. I feel proud to be a member of this Christian family.

I owe a special thanks to the members of my Advisory Committee, Dr. Swapnil Shrivastava, Assistant Professor, Department of Mathematics & Dr. Sanish Thomas, Assistant Professor, Department of Physics, for their valuable suggestions and guidance through this work time to time.

I wish to express my deep sense of indebtedness to my respected Mother, Mrs. Vinodini Singh, Father, Dr. Amar Singh, my Wife, Mrs. Amrita Singh and my Son Lemuel since the work in present shape is due to their lively interest, constructive suggestions and all round persuasion, encouragement and moral support whenever I was feeling down. They are a perennial source of inspiration and blessings to me. All the credit of my success goes to them. I can never thank them enough for always being there for me.

I thank my dear Bhaiya Er. Prateek Singh, Assistant Professor, Department of Computer Science and Information Technology & Bhabhi Mrs. Archana Singh, Assistant Professor, Department of Computer Science and Information Technology. I would also like to mention the name of Ms. Navodita Maurice my cousin who has helped in various ways to finish my thesis writing. I also wish to thank all my family members and especially my friends Dr. Mohit James, Dr. Piyush Masih who have always supported and backed me in the times of distress and difficulties during this work and always.
Last but not the least I would like to convey thanks to Mr. Sandeep Kanojia, Assistant to the Dean, CBS, AAI-DU for their help in bringing this script in a presentable shape, even when the work demanded the odd hours of the day.
