ACKNOWLEDGEMENTS

I am grateful to Lord Almighty for giving me strength and showing his grace to complete my work successfully.

I take this privilege to express my gracious thanks to Prof. (Dr.) R. B. Lal, Hon’ble Vice Chancellor, SHIATS, for his affection, encouragement throughout my work. I avail this opportunity to express my indebtedness, deep gratitude and sincere thanks to my respected guide, Prof. (Dr. Miss) Mercy Devasahayam, Coordinator, Centre for Transgenic Studies, Faculty of Agriculture, SHIATS, Allahabad for her keen supervision, excellent guidance, constant encouragement and cooperative attitude for completion of this thesis and helping me to plan and design this work.

I cordially thank to Prof. (Dr.) S.B. Lal, Pro Vice Chancellor, SHIATS, for his invaluable support, encouragement and concern. I would like to acknowledge Prof. (Dr.) A.K.A. Lawrence, Registrar, SHIATS, whose consistent help has only lead me to completion of this work. I am extremely thankful to Director (Research), SHIATS, Allahabad for providing financial support to complete this thesis.

I would like to express my sincere thanks for constant support to my advisory committee member, Prof. (Dr.) P.W. Ramteke, Dr. Amit Chattree and Dr. Jishnu Naskar for their valuable time to time advice that helped me to complete this work faster in a better way. I extend my sincere thanks to Prof. (Dr.) George Thomas, Head, Department of Molecular and Cellular Engineering, Jacob School of Biotechnology and Bioengineering, SHIATS, Allahabad for extending full help to utilize the laboratory facilities in the department.

I am extremely thankful to my friends and colleagues Jishnu, Akhilesh, Saurav and Raghuvir Sir for them tremendous help and co-operation in the laboratory and all who have helped me during my research work and have been involved directly or indirectly in my endeavours.

I am very thankful to my students, Richa, Suman, Zimik, Shalini, Jamal and Shalini who worked like my hands throughout the work. I am also thankful to my laboratory staff, Mr. Vishal Prashad, Mr. Awadhesh and Mr. Rohit George for their supportive behavior during my thesis work.
I find no such measure, adequate and quantify, all that my supportive father Mr. Alis Masih, my lovable and caring mother, Mrs. Subita A. Masih, my sweet sister, Sylvia and loving Brother-in-Law, Mr. Vijay Massey have done for me. Words with me are insufficient to express the feeling of my heart to acknowledge them for educating me and keeping me in all comfort without which this work would not have seen the light of the day at all.
