ACKNOWLEDGMENT

Thanks and praise to Almighty Allah whose wind has always been at my back to help me produce such a humble work.

I dedicate this work to my advisor Dr.(Mrs) Hira Bose who helped me to produce this work to light. Also my appreciation and gratitude are extended to the head of the Dept. of English and Foreign Languages Dr. (Prof) Newman Fernandes.

The Researcher is really grateful and thankful to Dr. Nishi Tripathi for her guidance in the analytical part of this study beside the main supervisor.

The Researcher would sincerely like to thank Dr. Shivani S. Verma for her help during the duration of all stages of this research work.

The Researcher also feels indebted to all the faculty members in the English Department at Chitamber School of Humanities and Social Science, the Researcher would like to thank them all for their valuable efforts.

The Researcher’s thanks go to my colleagues Dr. Fathi Gareeb, Dr. Bashir Tarum, Dr. Salem Elharishy, Dr. Salah Meto, Dr. Farhat Zanati, and Dr. Masoud Taib.

The Researcher would like to thank all the professors of Department of English at Al-Zawia University for their help and support during this study.
The Researcher’s sincere thanks go to his wife and all his brothers and sisters who
motivated, supported and encouraged him to complete this study.

This is a great privilege to thank all the researchers who have done their research related
to this topic, and to the researcher’s friends in India for their good companionship and
support.
