ACKNOWLEDGEMENTS

It gives me immense pleasure to express my heartfelt gratitude and appreciation to my revered teacher Dr. A. Usha Rani, Associate Professor in Zoology for her inspiring guidance, stimulating perceptions, enlightening discussions, critical comments and keen interest evinced in shaping this thesis.

I am in short of words to express my sincere thanks to Prof. N.V. Nanda Kumar, HOD for rendering moral and academic support during the course of investigation.

I wish to place on record my profound sense of gratitude to Prof. G. Rajarami Reddy, Prof. M. Rajeswara Rao, Department of Zoology, S V U and Dr. D. Chengal Raju, Ex Principal for their timely help, sustained interest and constructive suggestions throughout the research work.

My sincere thanks to Dr. Koteswara Naidu, Research Scholar, Dept of Chemistry, S V University for providing the necessary facilities for Column Chromatography analysis.

I shall be ever grateful to my beloved friend Dr. L.V.K.S. Bhaskar, Dept of Aquaculture, S V University, Tirupati for his help extended to me at the cost of his precious time in framing electrophoresis studies and special thanks to Dr. S. Janardhan Reddy for his help in toxicology.

I owe a great deal to U. Sreehari, Sub Editor, ICMR. New Delhi for his constant help in procuring literature and his constant encouragement.

I am quite delighted in expressing sincere thanks to my friends P. Sudhakar Reddy, G. Ravi Kumar and Dr. Shafeek for their constant encouragement in several ways.
Lexicography words are inadequate to express my indebtedness to my most beloved life partner Smt. S. Shahanaz Begum taking great pains, cooperation, encouragement task. The intellectual interactions with her will be ever green in my memory. Without her moral support, endearing help, incessant love and constant advice, this venture would never have materialized.

I deem it a great privilege to express my affectionate thanks to my family members viz., my mother Surya Begam, sister Shahida, brother P.J.K. Basha and sister-in-law Shaheen Taj and Illu, my father in law Syed Ahamed, mother in law S. Julekha Begum and my kinds, Anesha, Rasmi and Ashuff for their love, constant advice and moral support.

I take this opportunity to express my sincere thanks to my friend, Mr. E.R.M.D. Hassan, Manager Poddar Tries Ltd, for generous, and constant moral support and his encouragement.

Last but not least, I am highly grateful to my most beloved M.Sc, students C. Nagaraju, G. Jyothi Sucharitha, E. Arifunnisa Begam, D.V. Sushma and R. Subhashini for their continuous co-operation, encouragement, help during my research work.

I am quite delighted in expressing sincere thanks to my friends M. Ravi Babu, B.J. Suresh and De. Johns for his constant encouragement in several ways.

My affectionate thanks to Mr. G. Amar and Mr. Kishore for their technical assistance.

Finally, I extend my thanks to the UGC, New Delhi for providing Financial assistance during my course of Investigation

P. SIRAJ BASHA
