**LIST OF PUBLICATIONS**

**Papers Published in Journals**

Papers/Posters in Conferences

1. Presented poster titled “Elucidation of Hydration Dynamics of Collagen Based Composites by Impedance” in International Conference on Functional Materials (ICFM-2014), Indian Institute of Technology, Kharagpur (5-7\textsuperscript{th} February, 2014)

2. Presented poster titled “Impedance Analysis: A tool for understanding changes in hydration dynamics of collagen on crosslinking” in XXXII Congress of the International Union of Leather Technologists and Chemists Societies, Istanbul, Turkey (29-31\textsuperscript{st} May, 2013)
