ACKNOWLEDGEMENT

The satisfaction and elation that accompany the successful completion of any task would be incomplete without the mention of the people who have made it a possibility. It is my great privilege to express my gratitude respect to all those who have guided me and inspired me during the period of the research work.

First and foremost, I express my gratitude respect to my param pujya guru “Daddaji”, the Almighty, for his showers of blessings throughout my research work to complete the research successfully.

I would like to express my deep and sincere gratitude to my supervisor, Dr. Devasish Bose, Asst. professor, Department of Criminology and Forensic Science, Dr. Harisigh Gour University Sagar (M.P.) for his continuous support during the Ph.D. program and for giving an opportunity to work under him. His timely guidance, academic freedom and co-operation have helped me in completing my research with a great success. As a result, research life became smooth and rewarding for me. I also wish to thanks to his wife Dr. Abhilasha Durgbanshi [Assistant Professor, Department of Applied Chemistry, Institute of Technology, Banaras Hindu University, Varanasi (U.P)] for her encouragement and mentoring done during my difficult times.

Foremost, I would like to express my sincere gratitude to Head Sir Prof. J.D. Sharma, Department of Criminology and Forensic Science, Dr. Harisigh Gour University Sagar (M.P.) for his continuous support during my difficult research journey, for his motivation, enthusiasm and immense knowledge.

I want to express my sincere gratitude to Dr. Neeti Prakash Dubey [Assistant Director, State Forensic Science Laboratory, Shimla]. His wise counsel and influential discussions have helped me in completing my research with a great success.

I would like to thank to my seniors Dr. Swati Dubey Mishra and Dr. Sandeep Kumar Morya [Senior Scientific Assistant, State Forensic Science Laboratory, Delhi] and colleagues Ms. Nitasha Agrawal and Mr. Vipin Ashok for their great support during these 4 years.

There are few people I would like to give special thanks to technical and non-teaching staff of Department of Criminology and Forensic Science, especially to Shri Sharif khan Mansuri, Shri Ashok Kanojiya, Shri P.D. Dubey and Shri S.N. Sahu for their help and valuable support during this research.
I am thankful to the University Grant Commission (U.G.C.) government of India for providing Junior Research Fellowship up to 2 years from the starting and was honored to be a U.G.C. - Senior Research Fellow for years 3 & 4.

I gratefully acknowledge Directorate of Forensic Science (MHA), Government of India for providing a research project EMR-15 (1/2005/C-06) to our research group. I again express my thanks to Dr. Devasish Bose Principle Investigator of the project for giving me opportunity to do my research work as a part of the granted project.

It was my great privilege, working in collaboration with a prestigious Spanish research group in the field of Micellar Liquid Chromatography, my sincere thanks to Prof. Josep Esteve-Romero [Head, Quimica Bioanalitica, QFA, ESTCE, Universitat Jaume I, Castello, Spain] for his noble guidance and constant encouragement during my difficult research journey.

Collection of data was essential for this research. I collected a lot of data with support of many people, for which I would like to thank them for their whole cordial support.

I am extremely grateful to my friends and relatives Dr. G.D. Hoonka (Tau ji), Mr. Asheesh Kathal, Mr. Peeyush Suhaney, Mr. C.M. Suhaney, Ms. Nandini Dutta, Mr. Mayank Panda and Mr. Siddharth Panda. They provided encouragement, constant unconditional support and light relief during long and sometimes difficult research tenure.

I am extremely thankful to my elder brother Mr. Saurabh Hoonka for his endless help and support, which played an indispensable role in completing this research work.

Last, but not the least, I would like to thank to my parents Shri. Awadhesh Kumar Hoonka (Papa ji), Smt. Rani Hoonka (Maa) for their care and love. I am really indebted to my parents to whom I dedicate this thesis. Without their support, encouragement and help over the years towards my education, all this would not have been possible. Maa and papa I provide my heartfelt regards to you as you guided me throughout my Ph.D. with your intelligent suggestions and ideas. You always encouraged me by showing something positive whenever I was upset with my results.

Subhra Hoonka
