ACKNOWLEDGEMENTS

With a sense of profound gratitude and Indebtedness I wish to express my heartfelt and sincere thanks to my revered guide Prof. B. Syama Sundar, M.Sc., Ph.D., F.C.S., C.Chem., M.R.S.C (London), FISCA, FICS., FICC (India), Coordinator, Department of Biochemistry and Principal, University College of Sciences, Acharya Nagarjuna University, Guntur.

I owe my respects and regards to him for guiding me and also for his unwearing moral support, advice, for being a good leader and scientific guide throughout my research work. His discipline, simplicity, honest and provision of fearless work environment will be cherished in all walks of my life.

I wish to express my sincere thanks for the keen interest shown by Prof. M. S. K. Prasad, Retired Professor of Biochemistry, Kakatiya University, Warangal and Prof. D. Siva Prasad, Retired Professor of Biochemistry, Andhra University, Visakhapatnam.

I am deeply indebted to Dr. K. Sai and Dr. A. Suresh Consultant Physicians, G.S.L.Hospitals, Rajahmundry, Dr. Y. N. Rao Professor, Department of Biochemistry, G.S.L.Medical College, Rajahmundry for
their valuable help in academic discussions and execution of research work.

I express my heart felt gratitude and most respectful regards to Dr. U. T. M. Tripathi, Director, Mr. A. Siva Kumar, Quality Control, HPLC division and Mrs. A. Bhavana, wet lab section Startek Laboratories, Hyderabad for providing me all the necessary facilities for executing this work.

My sincere thanks to Dr. K.Balamurali Krishna my researcher colleague for his help, support and encouragement during this venture and Dr. A. Matta Reddy, Associate Professor and Head, School of Life and Health Sciences, Adikavi Nannaya University, Rajahmundry for his sincere co-operation.

Last but not the least, I am extremely thankful to all my family members for their patience, encouragement and moral support during this endeavor.

J. Balaji Chandra Mouli
