

ACKNOWLEDGEMENT

Foremost, I would like to express my sincere gratitude to my research mentor **Dr. S. Ramakrishnan** for his continuous help and support in all stages of my research. I would like to thank him for his immense knowledge, patience, motivation, enthusiasm, and for being an open person to ideas, and for encouraging and helping me shape my interests.

I would like to submit my earnest thanks to **Dr. D. Manamalli** for her invaluable support and guidance. She has constantly forced me to remain focused on achieving my goal. I would like to express my heartfelt thanks to **Dr. C. M. Sujatha** for her time, ideas and making my research experience productive and stimulating. I would like to express my deepest respect and sincere thanks to **Dr. Thomas Deserno** for generously sharing his time and knowledge in our cooperative research at Aachen University, Germany. I profoundly thank and acknowledge DAAD for their financial support, by providing the 'DAAD Fellowship' to pursue my 6 months of research at University of Aachen at Germany in 2009.

I would like to thank the Doctoral Committee and the members of the faculty at Anna University, Chennai for their invaluable guidance and support. I would like to thank **Dr. Jesu Christopher, Dr. G. Udhayakumar, Dr. T. Christy Bobby, Mrs. A. Mythli, Mr. A. R. Jac Fredo, Mrs. S. Prabha** and other fellow researchers for contributing in their respective merits, who were willing to help and give their best suggestions, while working.

I am very thankful for the unwavering support of my family. I am very much indebted to my son, husband and all other family members who supported me in every possible way to see the completion of this work.
