ACKNOWLEDGEMENTS

I thank the almighty whose blessings have enabled me to accomplish my dissertation work successfully.

I am grateful and deeply indebted to **Prof. P.S. Panesar** (Supervisor I) and **Prof. M.B. Bera**, (Supervisor II), Department of Food Engineering and Technology, Sant Longowal Institute of Engineering and Technology, Longowal, for helping me to shape and guide the direction of research work by their able guidance, valuable suggestions, constructive criticism, encouragement and well wishes, which helped me in turn this effort into a success. This dissertation would not be possible without their support and dedication.

I am highly grateful to Prof. Sunil Pandey, Director, Sant Longowal Institute of Engineering and Technology, for providing me an opportunity to carry out the thesis work. I would like to thank Prof. Dhiraj Sud (Dean, Academics) and Prof. S.S. Dhaliwal (Dean, Research and Consultancy) for his valuable encouragement during my research work.

I further extend my appreciation to Prof. D.C. Saxena (Head, Department of Food Engineering and Technology) and teaching staff of Department of Food Engineering and Technology, for providing me the laboratory and other facilities for successful completion of this work.

I would like to thank Prof. H.K. Chopra (Department of Chemistry, SLIET, Longowal) for highly inspiring and invaluable guidance, co-ordination, encouragement during my research work.

I am deeply indebted to non-teaching staff of the department especially, Mr. Manoj Pandey, Mr. Om Chand, Mr. Davender Kumar, Mr. Laxmi Narain Singh and
Mrs. Praveen Goyal for their cooperation, without them it was not possible to materialize the results.

I feel lacunae of words to express my most heartfelt and cordial thanks to Dr. Ajai Kumar (Senior Technician, JNU, New Delhi), who has always been a source of inspiration for me and who stood by my side at the toughest times. I express my indebtedness to Dr. Reeba Panesar (Senior Research Associate, Department of Food Engineering and Technology, SLIET, Longowal) for inspiring guidance, advice, suggestions throughout difficult phases of research. She has been an epic of positivisms throughout my research work.

Finally, I wish to extend a warm thanks to my special friends Mrs. Shubhneet Kaur, Mrs Varinder Kaur, Mrs. Vandana Bali, Mrs. Garima Sanger and Mrs. (Late) Cozy Saini for their great support during my entire research work. I would like to offer my sincere thanks to my lab colleague Miss Rupinder Kaur for her cooperation and support.

My deepest gratitude goes to my family for their unconditional love and support throughout my life, this research work would have been simply impossible without them.

Finally I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.
