ACKNOWLEDGEMENT

After a journey which involved a considerable amount of hard work and dedication, it is indeed satisfying to reach the destination and thank all those who helped me in reaching this goal. First, I would like to thank the almighty GOD who has given me enough strength to complete this work.

Determination is an important prerequisite to achieve good goals in one’s life. But without proper guidance, the same cannot be achieved smoothly. Here, I avail the opportunity to express my deep sense of gratitude and thanks to my research guide Prof. Suresh Chander Malik, Department of Statistics, M.D. University, Rohtak for suggesting me the present research problem and extending his immense help and cooperation all through the work. It is unforgettable that whenever I had any difficulty, he encouraged me angelically to move ahead through discussion, suggestions, feedback and indefatigable effort. His deep rooted knowledge, masterly approach, keen observation, positive criticism and silent inspiration motivated me a lot while completing this work.

I express my gratitude to Prof. Madhulika Dube, Head, Department of Statistics, M.D. University, Rohtak for providing me various facilities to complete this work. I am also thankful to other teachers and non-teaching staff of this department for their cooperation during this work.

I would also love to express my sincere thanks to Dr. Sheela Kumari Malik, Assistant Prof., B.P.S. Mahila Vishwavidyalaya, Khanpur Kalan, Sonipat for her constant inspiration, affectionate behavior, valuable support, blessings and help throughout the research work.

I also express my heartfelt feeling towards Dr. Mahabir Barak, Dr. Jyoti Anand, Dr. Ashish Kumar, Dr. Joginder Sureria, Dr. Satish Chillus, Dr. Geetanjali, Ms. Sudesh Kumari, Ms. Anju Dhull, Ms. Reetu Rathee, Mrs. Jyoti Nandal, Mr. Vikram Mundey, Mrs. Poonam, Mrs. Upma for their moral support and rendered material during research work.
I would sincerely thank all my family members whose constant encouragement, blessings, love, affection, care and motivation helped me complete my research work. Special thanks to my little son GAUTAM for his love and unlimited happiness throughout this journey.

I am also grateful towards UGC and Directorate Higher Education, Haryana for providing me study leave under Teacher Fellowship Programme to complete my research work.

I proudly take this opportunity to thank M.D University, Rohtak (Haryana) for providing me all facilities during the studies and research work.

I conclude my endless thanks to all those whom I am not able to recall and also those whom I might have left unknowingly.

Thanking everybody for their best wishes.

(SAVITA DESWAL)
