Abbreviations used in the text xix

CHAPTER I:
INTRODUCTION 1-16
1.1 Background Information 2
1.2 Physique, Physiology and Body Composition research in India 5
1.3 Statement of Objectives 16

CHAPTER II:
A BRIEF ACCOUNT OF THE LAND AND PEOPLE 17-27
2.1 Name of the State and its history 18
2.2 Geographical account of Manipur 18
2.3 Composition of the population and their occupation 19
2.4 Ethnographic profile of the Meitei 21
2.4.1 Origin 21
2.4.2 Language and Script of the People 22
2.4.3 Religion, Art and Culture 23
2.4.4 Marriage, Family and Descent 24
2.4.5 Food and Nutrition 25
2.4.6 A brief account of Meitei women 26
### CHAPTER III:
**MATERIALS AND METHODS**  
3.1 Sample size and Age wise distribution  
3.2 Set of Parameters  
3.3 Definitions and Formulae of Derived Measurements  
3.4 Analysis of the Data

### CHAPTER IV
**RESULTS AND DISCUSSION**  
4.1 Results  
4.1.1 Physiological Measurements  
4.1.2 Body Composition Measurements  
4.1.3 Somatometric Measurements  
4.1.4 Somatotype Components  
4.1.5 Co Relation of Body Composition with Physiological Traits  
4.2 Discussions  
4.2.1 Physiological Measurements  
4.2.2 Body Composition Measurements  
4.2.3 Somatometric Measurements  
4.2.4 Somatotype Components

### CHAPTER V:  
**SUMMARY AND CONCLUSION**
