ACKNOWLEDGEMENT

It is my privilege to express my unfettered sense of gratitude and indebtedness to my supervisor Prof. M. S. Tiwari for his inspiring and valuable guidance and constant encouragement to me all through this work. To have carried out this work under his able guidance and vigilant supervision which is pleasure to me.

I take immense pleasure in recording my thanks to Prof. S. Sivaraman, former Head, Department of Physics who gave me encouragement. My sincere thanks and gratitude are due to Prof. R.S. Kasana, Head, Department of Physics, Dr. H.S. Gour Vishwavidyalaya, Sagar, whose unserved help and valuable advice were always available to me.

I feel highly indebted to Prof. S.R. Agrawal Department of Physics Govt. Boys College, Sagar, who has inspired me to carry out research work in this particular fascinating branch of space plasma physics.

Thanks are also due to the departmental employees for their excellent cooperation and helpful behavior extended to me.

I am also thankful to my senior Dr. (Miss) Poornima Varma for her helpful behavior extended to me.

I am grateful to my honorable father Shri R.S. Baronia without his inspiration this work would not have been possible. My kindest gratitude is to my Late Mother Smt. Jank Kishori Baronia who stayed always with me against all odds and encouraged me. I take this
opportunity to put on record my thanks to elders Shudha-Prmod, Shashi-Prmod and Kanta-Anil for their able guidance and encouragement throughout this work. A word of praise is also due to my wife Divya who induced me to concentrate on my work.

I am highly grateful to MAPCOST, Bhopal for the award of a research fellowship which made it possible for me to undertake and complete this work.

Thanks are also due to Dr. Pankaj Chaturvedi, Director, Dr. Gour Computer Center for his excellent cooperation in computing work.
