ACKNOWLEDGEMENT

The Thesis entitled 'A Socio-Political Study of Women in Manipur' is carried out under the supervision and guidance of Prof. Ksh. Bimola, Department of Political Science, Dean of Social Sciences, Manipur University. Her valuable comments, advice, suggestions and painstaking efforts at various stages of the work have improved and enriched the study. I express my deepest gratitude to her and I am indebted to her.

I owe my gratitude to late K. Tomba Singh, Ex-Head Master, Moirang Girls' High School for his encouragement and great help in translating the old puyas.

Next my heartfelt thanks to Dr. S.Mangi, Assistant Professor, Political Science Department, Dr. L.Rajen, Asst. Professor, Political Science Department, Manipur University, Th. Rajendrakumar, Lecturer, Kakching Higher Secondary School, M. Ranjana, Research Scholar, History Department, M.U, P.Kiranmala of Moirang for their kind cooperation and great help in taking interview with Nisha Bandis, Meira Paibis and Freedom fighters.

I am also thankful to all the teachers of Political Science Department and teachers of other Departments of Manipur University who in many ways encouraged and inspired me.

I expressed my debt of gratitude to the staffs, Departments of State Election Office, Lamphel, Office of the Chief Electoral Office, Lamphel,
Directorate of Economic and Statistics, Government of Manipur, Social Welfare Department for supplying the necessary Data and materials.

I also would like to express my gratitude to ICSSR Library, Shillong, Central Library, Shillong, Library of Omeokumar Das Institute for Social Change and Development, Guwahati, Women’s Study Centre, Guwahati, Archives Library, Imphal, Manipur University Library, Home Library of N.Khelchandra for their co-operation in consulting the books and journals in the libraries.

I am extremely grateful to S. Binodini Singha, Research Scholar, Manipuri Department, M.U, Hemabati of Kakyai, K. Indika of Moirang Bazar for their help in the collection of materials and data.

My debt gratitude to R.K. Ashalata, Research Scholar, English Department, N. Rebeca, Research Scholar, English Department, M.U, Jatra Mairembam, Anita Mairembam of Moirang for their co-operation and help in the work of proof reading.

I would like to extend my gratitude to the persons whom I interviewed for their kind co-operation. Without their co-operation my work would have been lagging behind.

Next, my sincere thanks to L. Bina Devi of Moirang and Ramkumar Sangroula of A.G. Colony, Lamphelpat for painstaking in computerising the thesis which without their co-operation my humble work would have been greatly impaired.
Next, I would like to express my profound sense of gratitude which I owe to Iboyaima Sharma of Takhel Leikai, Imphal for painstaking work in binding the Thesis and make it in a complete form.

I would like to acknowledge my gratitude to H. Romoni, Research Scholar, Life Sciences Department, L. Loidang, Research Scholar, Statistics Department for their help in calculating the statistical Data, Colleagues in the hostel, friends and well wishers whose names are not mentioned here for their help and moral support.

Lastly not the least, I take this opportunity to express my gratitude and sincere thanks to my family for their encouragement, co-operation and support which I should not have been what I am today without their co-operation.
