ACKNOWLEDGEMENTS

The author wishes to express his deep sense of gratitude to Dr. A.P. Srivastava for his kind encouragement and guidance without which it would have not been possible to present the work in this form.

Author expresses his sincere gratefulness to Dr. V.G. Bhide, Deputy Director, National Physical Laboratory, New Delhi for his kind interest in the work. He has always been a source of constant inspiration to me.

To Dr. A.C. Rastogi, Scientist, N.P.L., author wishes to express sincere thanks for his invaluable help at various stages of work through useful discussions. It is indeed a pleasure to thank Dr. R. Bhattacharyya, Scientist, N.P.L. for his helpful suggestions in preparing the manuscript.

Author wishes to thank Dr. V.V. Shah, Scientist, N.P.L. for providing working facilities in his project. The author expresses his sincere thanks to Dr. A.R. Verma, Director, N.P.L. for providing all facilities in N.P.L. To Prof. J.D. Ranade, Head of the Physics Department, University of Saugar for providing facilities at Saugar University.

Author would be failing in his duties if he does not express his deep gratefulness to his parents and all friends, in particular Shri S.C. Jain, Dr. S.K. Kaiker, Dr. S.S. Bawa, Shri T.K.M. Mallan and Shri V.V. Durge who in many ways encouraged him to pursue the work and provided moral support.

The financial support during this work from C.S.I.R. of India is gratefully acknowledged.

Finally, the author wishes to thank Shri Shrivista Kumar Sharma for his elegant and efficient typing of the manuscript.

Bhavel Bhatnagar.
