Acknowledgement

It is of immense pleasure to express my heartiest regards and profound sense of gratitude to my supervisor, Dr. Th. Purnima Devi, Reader and Head, Department of Library and Information Science, Manipur University, for her overall supervision, guidance, constant encouragement and taking care during the entire tenure of my research work. It is only because of her invaluable inspirations, continuous advice and valuable suggestions that the work has been able to take in the present form.

I wish to express my sincere thanks to the authorities of Manipur University for giving me permission in conducting this research work and for providing financial assistance of Departmental Scholarship for one year.

I have the pleasure to express my special thanks to Prof. Narendra Singh, HOD, Unit - Biostatistics, Regional Institute of Medical Sciences (RIMS), Imphal for assisting me in analyzing the data in statistical method of chi-square.

I would like to thanks my teachers, Dr. Ramansu Lahiri, Associate Professor (Retired); Dr. Th. Madhuri Devi, Reader; Dr. Ch. Ibohal Singh, Lecturer; Shri Bobby Ph., Lecturer; Shri Kh. Surachand Singh, Guest Lecturer; Dr. K. Sangeeta Devi, Guest Lecturer of the Department of Library and Information Science, Manipur University for their constant support and academic advice during the course of my study. My thanks also go to Shri Kh. Subhaschandra Singh, Junior Assistant and V. Hauhnun, Peon of the Department for their generous cooperation and help while carrying out my research work.

I also would like to thanks to my teachers, Shri Ch. Radheshyam Singh, Ex-Librarian; Dr. Th. Khomdon Singh, Deputy Librarian and Librarian i/c; Shri
R.K. Joten Singh, Information Scientist of Manipur University Library for their support and kind cooperation extended to me. My sincere thanks also go to other staff members of Manipur University Library for their invaluable support while conducting the scanning work. And I also extend my sincere thanks to Shri S. Shantikumar, Research Scholar, Department of Statistics, Manipur University for his generous help, co-operation and timely communication in calculating the data in his personal computer of the present study.

I wish to extend my gratitude to the authorities of Central Agricultural University (CAU), Iroisemba, Imphal for giving me permission in completing this research work. I also remain thankful to all the teaching and non-teaching staffs of the College of Agricultural Engineering and Post Harvest Technology, Ranipool, Gangtok for their moral support in accomplishing the present research work.

I extend my privilege to thanks all those Villagers, Adhaksha, Pradhan, Panchayat members, Headmen’s, Hill Village Authority members, Elected representatives, NGOs, Block Development and Tribal Development Officials, Librarian of State Central Library and Districts Libraries, Instructors of Community Information Centres, Librarian of State Information Centre and District Information Officers of District Information Centres, Users communities of these Centres/Libraries etc. who returned me the duly filled in questionnaires and giving me the chance to interact and provide useful and authentic information pertaining to my study which, in fact, are the important sources of information of the present study.

My sincere thanks are also due to the Directors and their subordinate staffs of Rural Development and Panchayati Raj, State Institute of Panchayati Raj and Rural Development, Health Services, Family Welfare, Agriculture, Education
(School & Higher Education), Veterinary and Animal Husbandry, Social Welfare, Commerce and Industry, Arts and Culture, Information and Public Relation, Electricity, Public Health Engineering, Science and Technology, Youth Affairs and Sports, Economics and Statistics, Postal and Telecom Services for their invaluable co-operation extended to me by providing useful information resources related to the study.

I am very grateful to my friend, Ch. Chawba Singh, CAEPHT for taking pains in sketching the diagrams and maps. I am also very thankful to my friends, Vikas, Shyam, Nanda, Heleima, Veenapani, Vidyapati, Suleta, Memori, Veerana, Nabin Chandra Dey who give me cooperation and moral support.

I am greatly indebted to Mr. Karenchao Kabui for his warm co-operation, computer setting meticulously in his personal computer within a short period of time. And for careful and neatly binding of the thesis, I am thankful to Shri Ph. Iboyaima Sharma of Segaroad, Takhellambam Leikai, Imphal.

Last but not the least, I would like to express my heartiest gratitude to my beloved parents for their encouragement, inspiration, physical and financial support throughout my academic career.

Dated, Canchipur
the 15th May, 2008
