ACKNOWLEDGEMENTS

At the very outset I express my deepest and sincere acknowledgement to my supervisor and mentor, Dr. Th. Madhuri Devi, Associate professor, Head of Department of Library and Information Science, Manipur University, Canchipur, Imphal who has carefully guided me in preparing this thesis. Without her valuable suggestions and guidance this work would not have taken the present form.

I remain grateful and sincerely thankful to Dr. Ramansu Lahiri, Associate Professor (Retd.), Department of Library and Information Science, Manipur University, Canchipur, Imphal for his suggestions and guidance in selection of this topic.

I also extend my deep sense of gratitude to my respected teacher Dr. Ch. Ibohal Singh, Lecturer, Department of Library and Information Science, Manipur University for his suggestions and guidance. Without his help this tedious and time consuming work would not have been possible.

I express my sense of obligation and gratefulness to all the librarians of schools, colleges, universities, public and special libraries who had inspired and helped me by supplying the appropriate data and information for my work by filling up the questionnaire submitted to them.
I am also deeply grateful to the teachers, senior colleagues and friends of Department of Library and Information Science, Manipur University, Canchipur, Imphal.

I express my thanks to GATEWAY Computer Education, Nambol for converting my manuscripts into this attractive physical form.

Last, but not the least, I express my gratitude to my family members particularly father and husband for their inspiration, encouragement and love rendered to me.
