ACKNOWLEDGEMENT

It is my proud privilege to record my sincere thanks and profound gratitude to my Supervisor, Dr. R.S. Pathak, Professor & Head, Department of English and other European Languages for his invaluable suggestions and immense help, without which this study would not have been possible.

In the writing of this dissertation I have received help and encouragement from various persons to whom I am grateful. My special respectful thanks go to Dr. H.S. Seingar for his help in the procurement of study material from various universities. I also acknowledge my thanks to Dr. Mahendra Singh Kushwaha, Lecturer in Physics, for his constant help.

I fail to find adequate words to express my indebtedness to my parents for their immeasurable help, constant encouragement and affection, without which this dissertation would not have taken the present shape.

Finally, Mr. S.N. Tiwari deserves my warmest thanks for helping me in preparing the typescript.
