ACKNOWLEDGEMENTS

In this arduous undertaking of writing this thesis, great help and co-operation have been received from a number of people who gave unstinted support which enabled me to complete my research. To them, I want to acknowledge my deepest gratitude.

Dr. Horam M. suggested the topic of the thesis and under his scholarly guidance and supervision, this work was completed. I am grateful to him also for recommending and securing a U.G.C. Teacher Fellowship. Dr. Khashim Ruivah, Dy. Registrar, Manipur University, was also of great help in this regard. To him and U.G.C., I offer my gratitude. I am greatly indebted to Mr. Alwin Woleng sister Helhing Haokip for typing all the manuscripts at various stages. Mr. M. Shantamani Singh, Principal, Mr. M. Ratankumar Singh and W. Dorendro Singh of Softek Computer Systems, Keishampat, Imphal have done a fine job in final printing of this thesis whose skill and patience I will always appreciate and thank. I am grateful to Ph. Iboyaima Sharma, for his careful binding of the thesis.
I am also thankful to all the staff members of Manipur University Library, Central Library (Imphal) and Librarian (DIET, Imphal) for their help and cooperation in providing research materials. The Directorate of Information and Public Relations, Government of Manipur, has also been of great help in supplying the much needed data for this study. I thank all their staff members concerned.

I am grateful to all the members of my family and relatives who helped and encouraged me in various ways.

Finally, I am greatly thankful to Uncle and my husband who have been physically involved in every stage of my study with great patience and sacrifice. Not only that, their encouragement and prayer support have been a real source of strength to accomplish this job.
