ACKNOWLEDGEMENTS

I express my profound gratitude to my Supervisor, Dr. R.S. Pathak, Reader in English, Dr. Harisingh Gour Vishwavidyalaya, Sagar for his able guidance and affectionate encouragement, but for which it would have been impossible to complete the present work. For its shortcomings, however, I alone am responsible.

I am also grateful to Professor J.S. Misra, Head of the Department of English, Dr. H.S. Gour Vishwavidyalaya, Sagar, for valuable suggestions and for extending all facilities for research.

In the preparation of this dissertation I have also received help and encouragement from various other persons, to whom I am grateful. I am particularly indebted to Shri K.K. Dave, Vice-Chancellor, Devi Ahilya Vishwavidyalay, Indore, and Shri S.M. Tripathi, Director, Correspondence Courses, Bhopal University, Bhopal, for their kind help in collecting data for our analysis; to Miss Renuka Gurjarani, Architect, and Miss Shobhana Misra of MACT, Bhopal for helping me in preparation of graphs and illustrations and in computation of results; Miss Archana Tripathi of HAL, Hyderabad for sending me really useful materials from CIEFL, Hyderabad.

My thanks are also due to Shri J.P. Kaushal of ELTI, Bhopal; Librarian, J.L. Nehru Library, Dr. H.S. Gour Vishwavidyalaya, Sagar; and Mr. D.C. Bahel, Mr. P.O. Joseph and Mr. N.W. Dace of the British
Library, Bhopal, for allowing me free access to books and journals in the Library.
