I would like to begin with almighty Allah for his blessing in the accomplishment of this work. All my success in the task is only from Him. In Him, I trust and unto Him I turn.

It gives me an immense pleasure and pride to express my deep sense of gratitude and respect for my teacher, supervisor and mentor Prof. Mohammad Sarwar Alam, Department of Chemistry, Jamia Hamdard for his evergreen expertise and inspiring guidance throughout the period of my work. I am indebted to him for enlightening me on the finer skills of research problems. He is the one behind giving me a decisive turn and significant boost to my career. I consider myself one of the fortunate people to be associated with him.

I am obliged to have the opportunity to express my extended regards to my co-supervisor, Dr. Hinna Hamid, Department of Chemistry, Jamia Hamdard, for her valuable guidance and encouragement throughout my work.

I would like to extend my gratitude to Dr. Kalim Javed, Head, Department of Chemistry, for his valuable support and cooperation.

I would like to thank Dr. Abdul Sami Shawl, Emeritus Scientist, Indian Institute of Integrative Medicine (CSIR)-Sanatnagar, Srinagar who helped me in the collection of the plant material and guided me from time to time in my research work.

This assignment would not have been accomplished easily without the cooperation of Dr. Raj Hirwani, Dr. S. C. Jain, Dr. M. A. Q. Pasha and Dr. Santosh Pasha whose valuable guidance played an important role in nurturing me as a medicinal chemist.

I am also highly thankful to Dr. M. Samim and Dr. Ameerunisha Begum for their support and cooperation throughout my research work.

I pay my heartfelt thanks to Dr. Syed Shafi for his precious suggestions, guidance and support. I am also extremely thankful to Dr. Sameena Bano and Dr. Abdul Mohimann for their cooperation and moral boosting discussions.

It gives me a great pleasure to express my gratitude to my seniors Dr. M. Mahboob Alam, Dr. Rafia Bashir, Mr. Syed Ovais and Ms. Shaifiya Yaseen for their continuous suggestions.

The friendship and support of my lab mates particularly Ms. Syed Nazreen, Ms. Fauzia Mir, Mr. Yakub Ali, Mr. Imran Khan, Mrs. Chetna Kharbanda, Mr. Mushtaq Ahmad Tantary, Mr Alhamzah Dheyaa, Mr. Raed Yaseen, Mr. Faiyaaz, Mr. Shashi Kant Verma and Ms. Pooja Rathore are cherished.
Diction is not enough to express my gratitude to my beloved parents Janab Mohammad Haider and Mrs. Nasreen Fatima who sincerely raised me with their love and affection and supported me in all my pursuits and whose selfless devotion, constant encouragement, sincere prayers, expectations and blessings have always been the most vital source of inspiration and motivation in my life.

I also express my heartfelt reverence to my grandparents Late Hakeem Isharat Hussain Naqvi and Mrs Tahira Khatoon along with my uncles Mr. Mohammad Ismail Naqvi, Mr. Mohammad Ibrahim and Mr. Ghulam Abu Sibtain whose love, obstinate sacrifices and encouragement that bolstered me, enabling to successfully attain this milestone. There is no substitute for the love and affection bestowed on me by them which gave me a sense of confidence to do my work with dedication.

I invariably fall short of words to express my heartfelt gratitude to my cousins Mr. Habeeb Qausain, Mr. Mohammad Zafar, Mr. Mohammad Amir, Mr. Askari Abbas, Ms. Razia Khatoon, Ms. Seema Khatoon, Ms. Afreen Naqvi and Ms. Marium Naqvi. It would have been impossible for me to have my research career without their love, affection, patience and support.

I express my thanks to the staff members of Central Instrumentation facility, Faculty of Science, Dr. S.D. Sharma and Mr. Irshaad for their cooperation.

I convey my heartful thanks to IIT, New Delhi, CDRI, Lucknow and IIIM, Jammu for recording the spectra. I am thankful to NISCAIR, Delhi University Library, Central Library and faculty of science library, Jamia Hamdard, for their cooperation in literature search.

I express my thanks to the non-teaching staff members of the Department of Chemistry Mr. Mohd. Israel, Mr. Abdul Rahman, Mrs. N. Baig, Mr. Ilyas and Mr. Jamaluddin for their consistent cooperation and help during my research work.

I wish to express my greatful thanks to all my teachers from my schooling days onwards and well wishers who have directly or indirectly helped me to reach up to this level in my life. I would like to thank everybody as well as expressing my apology that I could not mention personally one by one.

Last but not the least for I would like to acknowledge CSIR, New Delhi, for the financial support in the form of SRF.
