First and foremost I pay all my gratitude and devote my emotions to the omnipresent, omniscient and Almighty God, the glorious fountain and continuous source of inspirations! I offer salutation to the omnipotent Lord "Krishna"

I would like to express my sincere gratitude to my guide Dr. Kanupasad. D. Patel, Associate Professor, Chemistry Department, V. P. & R. P. T. P. Science College, Vallabh Vidyanagar, for accepting me as student and making the research a success. It is Dr. K. D. Patel's enthusiasm and integral view on research with his willingness to provide quality chemistry and not anything less that kept me going and I wish to say “Thank you” for showing me the path of research.

I am thankful to Charuter Vidya Mandal and principals of the college during the research period, Dr. D. J. Desai (Ex-Principal), Mr. K. M. Patel (Ex-I/C-Principal) and Dr. B. D. Patel, for their keen interest and for providing all necessary laboratory and library facilities. I also owe to Dr. B. C. Dixit, Associate Professor and Head, Chemistry Department and to all Teaching and Non teaching Staff of the department and the office staff of V. P. & R. P. T. P. Science College for their relevant support to me.

My parents deserve special mention for their inseparable support and prayers. My success today had its roots in the inspiration provided by my Parents, Mr. Rameshbhai N. Dholariya and Mrs. Lilaben R. Dholariya. They are the ones who have bourn the major brunt of difficulties to make my study comfortable, enjoyable from the very beginning till the end.

I gratefully acknowledge the important and valuable role of my younger brother Kaushik and his wife Dhara for their selfless love and providing encouragement in my endeavor to carry out this research from beginning to end. The words are insufficient to express Thanks to my sister Jignaben and Reenaben for their encouragement and personal support in my Endeavor.
I gratefully admire the role played by my seniors Dr. Gaurang Kharadi, Dr. Ravi Patel, Dr. Mrs. Trupti Darji, Dr. Gautam Chauhan, Dr. Chandresh Jagani, Dr. Chaitanya Chudasama, Mr. Satish Vanparia and Mr. Tarosh Patel for giving me the benefits of their knowledge and constructive criticisms during my research work.

My most heartfelt expression of gratitude to lab mates Mr. Atul Patel, Mr. Jiten Patel, Mr. Ketan Patel, Mr. Keyur Kamani and Jaimin Bhatt for their kind help during the course of my work.

I would like to express my Thanks to all my friends Dr. Shashikant, Dr. Chetan, Dr. Divyesh, Dr. Nilesh, Dr. Abhi, Dr. Jigar, Tarun, Harshad, Jemin, Bhavesh, Barad Hitesh, Bhautik, Rohit, Devaji, Mehul, Ramesh and Piyush for maintaining a warm and encouraging atmosphere. They made my working in the laboratory very enjoyable. It is my duty to acknowledge all my friends for keeping their patience with me throughout the past years of hardship and anxieties.

I am also thankful to Sophisticated Instrumentation centre for Applied Research and Testing (SICART), Vallabh Vidyanagar, Sophisticated Analytical Instrumentation Facility (SAIF), RSIC, Punjab University, Chandigarh, IIT Bombay, Bombay, Vaibhav Analytical Service, Ahmedabad and Microcare Laboratory, Surat, for the sample analysis.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.
