ACKNOWLEDGEMENT

I express my sincere and heart-felt thanks to Dr. V.N. Rajasekharan Pillai, Professor and Head of the Department of Polymer Chemistry, Mahatma Gandhi University, for his constant inspiration and guidance all through this work.

I express my profound and deep gratitude to Mrs. Claramma Varkey, Technical Assistant, in the Department for her timely help and co-operation.

I am very much indebted to my fellow workers who bestowed on me love and affection, without their help and co-operation, this work would not have been complete.

I am thankful to the Council of Scientific and Industrial Research (CSIR), New Delhi, for providing me a Junior Research Fellowship and Senior Research Fellowship.

Last but not least, I convey my indebtedness to Miss Santhakumari and her colleagues of Nalanda Institute of Commerce, Paika, for neatly typewriting the manuscript.
