ACKNOWLEDGEMENTS.

I wish to express my deep sense of gratitude to Dr. D. P. Jatar, now Assistant Professor in the Department of Criminology and Forensic Science, University of Saugar for kindly suggesting the problems, his keen interest and valuable guidance throughout the progress of this work. My thanks are also due to Prof. D. R. Bhawalkar, Professor and Head of the Department of Physics, University of Saugar for providing the necessary facilities for this work.

I recall with gratitude the help given to me by Dr. H. D. Sharma, now in the Defence Science Laboratories, Jodhpur, in the initial stages of this work.

I am also grateful to the Council of Scientific and Industrial Research, New Delhi, for the financial help by awarding the Junior Research Fellowship, which made this work possible.
