The Quran Orders to Mankind

"That you be kind to parents. If one of them or both of them attain to old age in their life, say not to them a word of contempt nor repulse them but address them a gracious word in terms of 'honour'. Allah also teaches us to pray for them; say "My Allah have mercy on them; as they cherished me mercifully when I was little"

[S 17 : A 23-24]
