ACKNOWLEDGEMENTS

It gives me immense pleasure to express my sense of gratitude and sincere thanks to Professor R.P. Singh, Head of Geography Department, Manipur University, for his valuable suggestions, constant encouragement and inspiring guidance throughout the research programme.

I express my gratefulness to Professor R.N.P. Sinha, ex-Visiting Professor, Department of Geography, Manipur University, Professor H.R. Betal, Department of Geography, Calcutta University, and Professor H.N. Sharma, Department of Geography, Gauhati University, Guwahati for their valuable help, suggestions and encouragements at various stages of my research work. I am also thankful to Dr. R.K. Ranjan Singh, Deputy Registrar and Dr. N. Deva Singh, Assistant Professor, Department of Geography, Manipur University for their valuable advice and help.

I am extremely thankful to the officers and staff of the Town Planning Department, Government of Manipur and the Imphal Municipal Council for providing necessary information and the base map, and the Directorate of Census Operations, Manipur for providing the population data used and analysed in the present study. It is an immense pleasure to acknowledge the help of my students and colleagues at Sainik School, Imphal during the first two years of my research work for their assistance in my field work conducted for collecting the primary data.
My sincere gratitude also goes to Lt. General A.S. Sandhu, Commandant, Indian Military Academy, Dehradun for sparing me to complete my research work on time. I also feel extremely grateful to Professor I.S. Khaidem, Vice-Chancellor, Manipur University for his valuable suggestions and encouragements.

I thankfully acknowledge the help rendered by Dr. Vedaja Sanjenbam of the Department of Geography, Manipur University in preparation of maps included in the thesis.

I am grateful to prominent citizens of Imphal City, officers and employees of private and Government organisations, located in the city, for providing necessary maps, data and literature used for completion of my work.

Last, but not the least, I express my thanks to my wife, Kusum and daughters-Neha and Megha, who helped in compilation and processing of data, besides bearing me up through the entire process of my research work.
