ACKNOWLEDGEMENT

Happiness is the real sense of fulfillment that comes from hard work. It is not possible to express my profound gratitude in words, to my research guide Dr. (Mrs.) R. S. Salunkhe, Associate Professor, Department of Chemistry, Shivaji University, Kolhapur, for her most competent and foreseeing guidance coupled with incessant encouragement at all phases of this work. Her involvement in the minutest of the details has given this thesis in the present form. It gives me immense pleasure to express my deep sense of gratitude and indebtedness to my research guide.

The successful scientific developments depend upon the leadership. I owe lot to the university authorities of Shivaji University and Honorable Vice Chancellor, Prof. N. J. Pawar and Prof. M. M. Salunkhe (Ex. V. C.) for the inspiration to achieve excellence at Department of Chemistry.

I am very much thankful to Prof. M. A. Anuse, Head, Department of Chemistry, Shivaji University, Kolhapur, Prof. S. R. Patil and Prof. P. P. Hankare, Former Head. Department of Chemistry, Prof. M. B. My special thanks are reserved for Mr. Deepak Mhaske and Mr. Vasant Mali for the constant encouragement, co-operation and moral support which made my path easy-going.

Success is not a goal of your hard work, but it always stands strongly by the contribution of all goodness, consistency and moral support and prays of your good wishers. I am at lost of the words while expressing my deep feelings of gratitude towards my Mother Smt. Banabai for the loving support and inspiration which has sustained me throughout my life, without her support and encouragement, it was almost impossible to stand in my life, the way I am today. I must record my gratitude to my brothers Rajaram and Sarjerao and my sister Akkatai for their understanding during this work.

I shall be failing my duty if I do not record my gratitude to Sou. Kavita my wife who has shared my feelings and alleviated my household responsibility during the course of this investigation.
Most importantly, the deepest thanks from the bottom of my heart should be dedicated to my son Atharv and Apurv for the loving support and inspiration which has sustained me throughout my life.

Once again I would like to express my sincere thanks to each and every one, who has not only helped in my research work but also in preparation of my thesis. Finally I bow to the almighty for bestowing upon me the necessary strength, patience and competence to complete my assignment successfully.
