ACKNOWLEDGEMENTS

“Give thanks to the Lord, call on his name” - thanks to God the Almighty.

“Parents are the ones who are easiest to hurt-change their lives in thousands of ways for their children. They don’t do it for gratitude, but they deserve it”. So I always add credit to them and never try to disgrace with them, it is the best way I can thank them.

“You teach in many ways for endless days. You are ever giving. You are the one who taught me the first letter of the alphabet”. It was only that effort has helped me confidently climb so many steps. My never ending salute goes to my dear School Teachers.

I express my immense gratitude to my research advisor Dr. M. Murugesan, Associate Professor of Commerce, Urumu Dhanalakshmi College, Tiruchirappalli-19 for his valuable support throughout the study. His sagacious guidance is the cause of my success. Without his encouragement I could not have completed this work.

I express my sincere thanks to Dr. S. Sekar, Principal, Urumu Dhanalakshmi College, Trichy for his sustained encouragement. I thank Dr. N. Subramani, Doctoral Committee Member and Head of the Department of Commerce for his benevolence and Members of staff of PG and Research Department of Commerce, Urumu Dhanalakshmi College, Trichy for their valuable moral support.
