ACKNOWLEDGEMENT

I express my sincere and deepest sense of gratitude, immense indebtedness and profound regards to my honourable supervisor of Advisory committee, Dr. S. Chakraborty, Sr. lecturer in Horticulture, Deptt. of Crop Improvement, Horticulture, Agril. Botany(CIHAB), Visva-Bharati, Palli Siksha Bhavana, Sriniketan, Birbhum, West Bengal, who has constantly guided me with valuable suggestions and constructive criticisms in the preparation of the manuscript of the thesis throughout the course of investigation.

Mere words can never suffice to express the sense of my indebtedness and heartfelt adoration to my honourable co-supervisor of Advisory committee, Dr. A. Pariari, Associate Professor, Department of Spices and Plantation Crops, Faculty of Horticulture, Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia, W.B. for his invaluable and ceaseless guidance, precious counsel, constant encouragement during the course of investigation and constructive criticism in the preparation of the manuscript of the thesis which can never be forgotten. His valuable suggestion, innovative ideas and meticulous nature helped me in the execution of my investigation and degree. His close monitoring and stimulating influence made the work complete with perfection.

I am also indebted to Sri Prithwiraj Pradhan, M.A(Double) Calcutta University (C.U.), Former Headmaster, Henria S.P. Institution (H.S.) my respected teacher has inspired me at every step by his precious suggestions and faithful guidance in planning and conducting the investigation. Besides, he is the ideal man to prosper my life. Therefore, I am grateful to my respected teacher.

I am speciously indebted to Dr. Tapas Kumar Chowdhury, M.Sc. (Horticulture), Ph.D (C.U.), Programme Co-Ordinator, WBCADC, Sonamukhi, Bankura and Former S.M.S (Horticulture), S.B.K.V.K, Kapgari, Jhargram, Paschim Medinipur, for his precious co-operation and painstaking help in every step during the writing of this manuscript.

I express my immense indebtedness to our trained & knowledgeable farmers like Sri Ananta Giri, Sri Gouranga Giri, Vill.-Paikbar, Sri Sujoy Jana and Bijoy Jana, Vill.-Baguran Jalpai under Deshapran Block (Contai-I), Dist.-Purba Medinipur, W.B. sparing their cultivable field for my research crop and to extend their full co-operation and helps in every step during crop investigation. May God bless them.
I am very grateful to Dr. S. K. Santra, Professor and Former Head, Deptt. of Agril. Extension, Bidhan Chandra Krishi Viswavidyalaya, for constant inspiration for my higher studies.

I owe my unfading sense of gratitude to other sagacious member of my advisory committee Dr. P. Munsi, Head; Deptt. of CIHAB, Late Dr. D. Sanyal, Professor of CIHAB, Palli Siksha Bhavana, Institute of Agriculture, Visva-Bharati, for their guidance and valuable suggestions during this course.

I sincerely express my grateful thanks and deep appreciation to all other respected my School Teachers, Lecturers, Readers, professors of my both Universities (Bidhan Chandra Krishi Viswavidyalaya and Visva-Bharati) concern departments and faculties for their all kinds of suggestions, guidance and any type of co-operations.

I am very much thankful to all staff of the Central Library, and other Teaching and Non-Teaching staff of Bidhan Chandra Krishi Viswavidyalaya, and also thankful to all teaching and non-teaching and concern office staff of Visva-Bharati for their any kind of help and co-operation for me.

I sincerely convey my deepest sense of gratitude to Dr. P. Pramanik, Ph.D, I.A.R.I, New Delhi, Director of Horticulture; Govt. of West Bengal, Department of F.P.I.&H for their inspiration, incessant help for completion of my thesis.

I am specially indebted to Dr. Fatik Kr. Bauri, Ph.D, Associate Professor, Faculty of Horticulture, B.C.K.V (W.B.) for his precious co-operation and inspiration in every step of this endeavour.

I am very much grateful to Sri Bimal Kanta Nanda, Asst. Director of Agriculture, Soil Conservation, Sri Tapan Ghorai, Asst. Director of Agriculture (Res.), Sri Bidesh Ranjan Sit, Asst. Director of Agriculture (Res.), Sri A.K. Sit Asst. Director of Agriculture, (Subject Matter Specialist), Contai, Prof. S.B. Roy, Former Head, Depts. of Physics and Principal-in-Charge (Morning), Midnapur College. Dr. Sishir Raut, A.R.S(Scientist), Bhubaneswar, Govt. of India, Dr. C.K. Das, B.H.M.S. and Mr. Rampada Bhunia (batchmate) others colleagues, friends of my Directorate of Horticulture, Govt. of West Bengal, for their selfless love and constant inspiration in every step during the course of study. Without their direct assistance and co-operation the investigation would not be expressed properly.
I have no word to respect indebted and deepest sense of gratitude owe to Dr. A.P. Mitra, Ph.D, (U.K.), Associate Professor, Deptt. of Agricultural & Food Engineering, I.I.T, Kharagpur (W.B.), and I convey my thanks to his Laboratory staff of their active co-operation for sample analysis during investigation.

I am also very much thankful to Kalyanda, (Maity), Debesha (Pramanik), Ujjalda (Pradhan), Sumana Boudi (Nanda), Madhabi Bhagmi and Biswajit (Das) and Sujit Das for their inspiration, co-operation in every step during the entire course of Ph.D. study.

I express my immense indebtedness and profound gratitude to my father Late Basanta Kr. Karak, I have lost my father in my early childhood. At that time I have got the full support from my beloved mother, who has inspired in every step of my life and also for higher studies. I am very much grateful to all elder brothers and sisters for their full support.

I am specially indebted to Akhil Bharat Vivekananda Yuva Mahamandal. I have got main inspiration to make me a ‘Man’ from Mahamandal ideal. I sincerely convey my deepest respect to Nabaniharan Mukhopadhyay, President and Founder Secretary, Akhil Bharat Vivekananda Yuva Mahamandal and convey my respect and love for all Mahamandal’s seniors and brothers. Besides, I also express my respect to all organizers and members of Sarada Nari Sangathan for their constant inspiration. And I convey my deepest respect to Revered Prabrjika Shraddhaprana Mataji (Guruma), President, Sri Sarada Math & Mission, Dhakshineswar, Kolkata, West Bengal.

Over all, I am indebted to Prabrjika Karunaprana Mataji, Secretary, Ramakrishna Sarada Mission, Shillya, Burdwan (W.B.), for her inspiration and blessing on me in all time.

Lastly, but not the least I am grateful to Susanta da (Bishnu Priya Copy Center, Kalyani, Nadia) for their untiring effort in neatly printing the manuscript and depicting the figures of my thesis within short time.

Date : July’ 2011
