Acknowledgement

I am heartily thankful to Prof M. B. Deshmukh my guide, whose encouragement, guidance and support from the initial to the final level enabled me to develop an understanding of the subject. I salute him for his unbroken faith in experimentation and deep quest for scientific knowledge. I thank him not only for the guidance, he rendered in the field of research but also for enlightening the path of my life with deep love for science. It was his support with which I could overcome my personal and scientific problems and this work could not have been completed without his inspiring guidance and constant encouragement during the course of research tenure.

Had I not been the kind of love, care and concern of my father Shri. Ashok Tukaram Sankpal and mother Sou. Nirmala Sankpal. It would have been impossible for me to reach this stage of my life. As parents, they provided me the entire essential support and encouragement not only for the period of this thesis but throughout my life.

I owe tremendous debt to Dr. P. V. Aabhule and Dr. G. R Rashinkar for their scientific guidance, valuable suggestions and encouragement during this work.

I take this opportunity to thank Honorable Vice-Chancellor Prof. N. J. Pawar for the inspiration to achieve excellence at Department of Chemistry. I am also thankful to Prof. S. R. Patil, Head of the Department of Chemistry and former head Prof. P. P. Hankare, Prof. M. A. Anuse for their good wishes and whole hearted support.

My sincere thanks to Council of Scientific and Industrial Research, New Delhi for awarding me the Senior Research Fellowship for my Research work.

I also thank to Prof. P. N. Bhosale and Dr S. S. Kolekar, Prof. G. S. Gokavi, Dr. U. V. Desai, Dr. G. B. Kolekar, Dr.(Smt.) R. S. Salunkhe and Prof(Smt.) N. P. Hilage, Dr. K. M. Garadkar, Dr. D. M. Pore, Dr. D. H. Dagade and other teaching Staff for their help and encouragement.

I must acknowledge the mute support and affectionate treatment of Deshmukh madam that I could learn a lot from her during my tenure of research. I greatly
acknowledge to all my primary, high school and college teachers. Especially I am thankful to S.B.Pore, who is one of the pathfinder for success and career.
