All praises and thanks are for Almighty God, who is the entire source of all knowledge and kinds of wisdom endowed to mankind. His bounteous blessing that flourished my thoughts and fulfilled my ambitions and my modest efforts in the form of this write up and made this material contribution towards the deep ocean of scientific knowledge already existing and which is a permanent source of benefit for his humanity and creature.

It is with great respect and devotion, I expressed my deep sense of gratitude and indebtedness to my Guide Dr. P. NAZNI, M.Sc., M.Phil., PhD., PGDY., Reader and Head i/c, Department of Food Science and Nutrition, Periyar University, Salem-11 for her revered guidance, constructive suggestion unfairly patience, friendly approach, constant support, encouragement and ready to help rendered at every step to my study.

I express my thanks to our Vice-Chancellor, Dr. K. MUTHUCHELIAN, Periyar University, Salem-11 for administrative, moral and academic support extended during the course of this study.

I express my sincere thanks to our Registrar, Dr. K.ANGAMUTHU, Periyar University, Salem-11 for kind help to precede this project by providing all facilities during the course of study. Their willingness and cooperation helped me in carrying out the work smoothly and successfully.

I remember with gratitude the constant help, encouragement and moral support from the Mother General, Mother Provincial, councilors and sisters of my congregation for their acre, support, timely help and valuable prayers.

My special thanks are also to Dr.Theodore, Stella Maris Hospital, Paduapuram, Angamaly, Dr. J.K. Mukkadan, Principal, Little Flower Institute for Medical Science and Research, Angamaly, Kerala for extending help for the completion of this work.

I place on record my profound sense of gratitude to all the teaching and non teaching staff of Dept. of Food Science, Periyar University, Salem who have contributed their help either directly or indirectly during the tenure of the study.

I express my sincere thanks to Mrs. J. Bhuvaneswari, Ms. R. Durga Devi and J.Gracia for their moral support and encouragement to finish the research work in time.

Last but not least, I thank my beloved father and mother, brother for their care and constant encouragement. I acknowledge all the others who had helped me in one-way or the other during the course of the research.

Shemi George
