ACKNOWLEDGEMENTS

I find no words, to express my deep sense of gratitude to my research guide “Prof. P.B. Joshi” Director, School of Physical science, Solapur University Solapur for his expert and valuable guidance, stimulating and thought provoking discussions, constant encouragement and timely advice throughout this research work.

I express my sincere thanks to Prof. L. P. Deshmukh, and Dr. S .S. Suryavanshi (Dept. of Physical Sciences, Solapur University, Solapur), for their moral support. It is my honest duty to express the thanks to Dr. S.B. Kulkarni (Associate Professor, Institute of Science, Mumbai) and Dr. V. B. Patil (Assistant Professor, Dept. of Physical Sciences, Solapur University, Solapur), Dr. B.J. Lokhande (Associate Professor, Dept. of Physical Sciences, Solapur University, Solapur) for their moral support. I am also thankful to nonteaching staff of School of Physical science, Solapur University Solapur for their continuous help.

I am thankful to Dr. D.J. Salunkhe, Dr.S.B. Kulkarni, Dr. S.A. Pawar for valuable encouragement during my research. My thanks are also to my colleagues, Mr. M.M. Sutar, Mr. S.R. Jigajeni, A.N. Tarle , Mrs S.H. Shkirsagar, and Mr. S.G. Chavan for their help at various phases of my work.

I respectfully remember Prof. C.H. Bhosale (H.O.D. Dept. of Physics, Shivaji University, Kolhapur), Dr.Y.D. Kolekar, Dr.V.L. Mathe (University of Pune), for their help and providing facilities such as XRD and SEM for my research work.

I am thankful to my friends Manjusha, Savita, Deepa, Preeti, Smita and Shilpa for their valuable suggestions and motivation for research work.
Finally, I have no words to express my deepest thanks to my parents Kamal/Maruti Salunkhe and my husband Ram for their wholehearted support, who have alleviated my household responsibilities during the research period, without their encouragement and affection, the thesis could not be able to see the sunlight. I am thankful to my brother Chetan and sister Shalaka for their active help during various steps of my research work. I can not forget the understanding shown by my son Shreeyansh during the period of the research work.

I must express my deepest thanks to my elder brother NITIN for his affection and support throughout my research work.

My sincere thanks to those who have helped me directly or indirectly during the period of research work.
