ACKNOWLEDGEMENTS

At the first instance, I have to pay my obeisance and acceptance to “Almighty Allah” the great faith in whom helped me to accomplish this work.

Next to Almighty Allah, I extend my gratitude and thanks to my parents (Mr. Haseeb Khan and Mrs. Meharbano Begam) for continuing to guide me and helping me to remove any consternation. I may have had throughout my life. They supported me on each and every aspect of my life with their great help, affection and dua. Today, I am what I am just because of them. Thank you Ammi and Papa for believing in me & directing me that nothing is impossible and I can achieve success in life by doing hard work by believing in Almighty Allah.

It is indeed my heartfelt gratitude and humble regards to my revered teacher and supervisor Prof. Ikram Hussain, Professor and Chairman, Department of Physical Health and Sports Education, Aligarh Muslim University, Aligarh for his ceaseless and untiring guidance. His assistance in developing a clear line a research, developing experimental protocols and sharing lot of his knowledge to increase my understanding and application of biomechanics. The present work has culminated due to his meticulous guidance, constant inspiration and most of all his enthusiasm for perfection and completion of this work.

Special thanks to my teacher and Co-ordinator of UGC SAP DRS-I Program Prof. Jaowad Ali Khan and other teachers Dr. Kabir Shah Khan, Dr. Rajendra Singh, Dr. Brij Bhushan Singh, Dr. Zamirullah Khan and Dr. Syed Tariq Murtaza of my department for their encouragement and motivation for this academic endeavor.

I shall be failing in my duties if I do not express my gratitude to the wife of my supervisor Mrs. Mafida Hussain, for her kind hospitality and prayer to Allah for my welfare.
I am also highly grateful to Dr. Haseeb Athar, Department of Statistics, Aligarh Muslim University, Aligarh, who taught me how to do all of the statistical analysis in this work.

Let me pay my special thanks to Mr. Aitmad Ahmad (Bhai Jaan) and Mr. Izlal Ahmad (Jaan Bhai, Manager Ahmad Junior High school, Sirauli Bareilly) who eventually, assist and encourage me until it brought great success happily.

I would also like to express my sincere gratitude to Dr. Naveen Kumar Tyagi (Principal N. A. & I. Inter College, Sirauli, Bareilly) for sharing his knowledge and experiences as I prepared for a career in academia.

I am also thankful to my seniors Dr. Saeed Akhtar Ansari, Dr. Mohammad Ahsan, Mr. Ahsan Ahmad, Dr. Naushad Waheed Ansari, Dr. Babul Akhter Ansari, Dr. Mohd. Imran and Dr. Najmuuddin Khan for their immense help and encouragement in completion of my Ph. D work.

During this work, I have collaborated with my colleagues for whom I have great regard, and I wish to extend my warmest thanks to Dr. Mohd. Arshad Bari and Mr. Arif Mohammad who have contributed significantly towards the completing this task.

My thanks are also due to other research scholars of the department namely Mr. Zeeshan Haider, Dr. Dilshad Ali, Mr. Shamim Ahmad, Dr. Mohammad Tanveer Khan, Mr. Sartaj Khan and Mr. Abdul Rahaman, for their valuable cooperation.

I wish to express my warm and sincere thanks to my adorable brothers Mr. Alam Khan, Mr. Azam Khan (Advocate), Mr. Nazim Khan and sisters Mrs. Shahida Begum and Miss. Zahida Khan for standing with me throughout both difficult and good times. I am eternally grateful to them for their affection, understanding & unconditional support. Special note of thanks to my brother in law Mr. Nasir Beg & Mr. Wasid Beg and sister in law Mrs. Asifa Khan & Mrs. Uzma Khan, my niece Ms. Asna Sabahat Mirza, Ms. Iffat Khan, Ms. Aiman Khan and
Nephew Mirza Nabeel Beg for their enormous love, support & prayers without which this work would have not been accomplished in target time.

It is a pleasure to express my gratitude wholeheartedly to Madiha and her family for her permanent support and help in all situations. My world outlook would certainly be very different without her.

I also grasp this opportunity to express my heartiest thanks to my all friends Mr. Fareed Alam, Mr. Shamim Ahmad, Mr. Izhar Ahmad, Mr. Miswah Mazahir, Mr. Amit Kumar Pandey, Mr. Pankaj Pandey, Mr. Mohd. Faisal Rizvi, Mr. Farhan, Mr. Tariq Hussain, Mr. Bahare Alam Mr. Afsar Beg, Mr. Tareef Hussain Ansari and Mr. Zaki Raza who generously helped me throughout the work as and when required. I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

I also thank Mr. Anwar Ahmad Khan, Mr. Ashok Kumar Singh, Mrs. Chanda Parveen, Mr. Saood, Mr. Salamat Ali, Mr. Jamshed Iqbal, Mr. Pratap Singh, Mr. Yunus, Mr. Nisar, Mr. Mohd. Afzal and Mr. Gulsher of the department for their help and cooperation whenever needed.

I also owe my thanks to team managers/coaches those rendered their help to allow their sportspersons to participate in the study.

I look upon those researchers whose life and works always motivated me and make me aware of my responsibilities towards making this world a better place to live in.

Finally, I owe a deep sense of gratitude to the authorities of Aligarh Muslim University, my Alma mater, for providing me adequate research facilities.
