ACKNOWLEDGMENT

First of all, I would like to thank almighty “ALLAH”, the most merciful and benevolent, without his blessing the completion of this thesis was not possible.

This thesis has been an exciting and challenging experience for me and I have been accompanied by a great number of people whose contributions are worth to mention.

I am very much indebted to my mentor and supervisor Dr. Jawaid Iqbal for being a magnificent supervisor and a guiding force throughout my research work. He has always been supportive towards me during my research work as well as other learning activities. Not only did he teach me how to be a good scholar, but also guided me to be a good human being.

I am thankful to Prof. Mohammad Gulrez, Chairman of the Centre of West Asian Studies, A.M.U., who has been a constant source of help and inspiration. His vast and profound knowledge of the West Asian region proved very fruitful to me.

I am also very much obliged to my teachers Prof. Shamir Hasan, Prof. Nazim Ali, Dr. Fazal Mahmood, Dr. Azhar, Dr. Ghulam Mursaleen and Dr. Rakshanda Fazli for their knowledge and vision which has been a guiding force for me.

My thanks go to the library staff of Centre of West Asian Studies, AMU, Jamia Millia Islamia (New Delhi), Jawahar Lal Nehru University (New Delhi), Maulan Azad Library, A.M.U., I.D.S.A., Parliament Library (New Delhi), I.C.W.A. and Delhi University for providing me all the necessary facilities during my research work.

I would like to thank my adored wife Fareeda Bilal and beloved daughter Innama Bilal, who have been a source of inspiration during my research work.
Apart from the department I am also very thankful to my dear friends for being with me in my long stay at AMU during all the good and bad times of my life. I feel really blessed when I count the names of those friends who were with me and still remember me in their busy life. I am especially thankful to Shadab, Dr. Mumtaz, Abre, Khurshid, Qamar, Amjad, Amin, Tanvir, Safeer, Faisal, Barkatullah and Jameel.

Last but not least, I wish to thank my parents, my sisters, and younger brother Iqbal. I do not have words to express my gratitudes towards them. Today I have a feeling of both joy and sorrow at a time that I have completed the long cherished dream of my mother in the form of this thesis but she is no more in this world. I pray to almighty Allah to bless her with eternal success.
