DECLARATION

I hereby declare that the thesis entitled **Re-vision as Art and Medium: A Study of Re-visionist Mythmaking in Feminist English Poetry** submitted to Sree Sankaracharya University, Kalady in partial fulfilment of the requirements for the award of the Degree of Doctor of Philosophy in English is the original record of the studies and research carried out by me in the University during 2006-11, under the guidance of Dr. N. Prasanth Kumar, Head of the Department of English, Sree Sankaracharya University of Sanskrit, and that it has not formed the basis for the award of any degree, diploma, title or recognition.

ACKNOWLEDGEMENTS

Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your request to God.

Philippians, 4: 6

I acknowledge the power of this inspiring verse that sustained me during my research. I trusted Him and He who is true to His word was by me all the way through, reassuring me as days slipped by …no single word read or written… and me--confined to bed.

I remember with gratitude my guide, Dr. N. Prasantha Kumar, Associate Professor and Head, Department of English, Sree Sankaracharya University of Sanskrit, Kalady, without whom I would have faltered half way. Unrivalled in scholarship and peerless in guidance, I believe Dr. Prasantha Kumar is the best guide that any research scholar can dream of getting. Thank you Sir for the strenuous effort you put in through your valuable suggestions and timely corrections.

I would like to place on record my indebtedness to the UGC for giving me the opportunity to pursue my research under FIP and the Management and Principal of Nirmala College, Muvattupuzha, for granting me leave.
I acknowledge the support I received from the Library staff of Sree Sankaracharya University of Sanskrit, Kalady, Osmania University Center For International Programs Hyderabad, The English and Foreign Languages University Hyderabad, City Central Library Hyderabad, American Information Resource Center Chennai, British Library Bangalore, and Nirmala College, Muvattupuzha.

This thesis would not have materialized if it had not been for the working space that Wilson, my dear husband provided me. I am thankful to him for the constant support that he lent all through this endeavour and grant the full credit of this submission on time to him who gave me “a room of my own.” I keep him close to my heart along with my children Akhil, who, I fear was neglected during the hectic days of my research, Arun and Ajay, who were never away when I needed them most. I fondly remember my friends and relatives especially my father who had to put up with my silence and absence during the last two years.
